imposed limitations on their educational and career prospects The relatively liberal period associated with Nikita Khrushchev's thaw after the Stalinist bitter frost became a prelude to the years when contemplation about or practical steps toward emigration to Israel or elsewhere began to play an increasing role in the lives of Soviet Jews In this pioneering analysis of the thaw years in Soviet Jewish history Gennady Estraikh focuses both on the factors driving emigration and dissent and on those Jews who were able to attain a high standard of living and to rise to esteemed positions in managerial academic bohemian and other segments of the Soviet elite

The Jews of Silence Elie Wiesel, 1987-01-13 In the fall of 1965 the Israeli newspaper Haaretz sent a young journalist named Elie Wiesel to the Soviet Union to report on the lives of Jews trapped behind the Iron Curtain I would approach Jews who had never been placed in the Soviet show window by Soviet authorities wrote Wiesel They alone in their anonymity could describe the conditions under which they live they alone could tell whether the reports I had heard were true or false and whether their children and their grandchildren despite everything still wish to remain Jews From them I would learn what we must do to help or if they want our help at all What he discovered astonished him Jewish men and women young and old in Moscow Kiev Leningrad Vilna Minsk and Tbilisi completely cut off from the outside world overcoming their fear of the ever present KGB to ask Wiesel about the lives of Jews in America in Western Europe and most of all in Israel They have scant knowledge of Jewish history or current events they celebrate Jewish holidays at considerable risk and with only the vaguest ideas of what these days commemorate Most of them come to synagogue not to pray Wiesel writes but out of a desire to identify with the Jewish people about whom they know next to nothing Wiesel promises to bring the stories of these people to the outside world And in the home of one dissident he is given a gift a Russian language translation of Night published illegally by the underground My God I thought this man risked arrest and prison just to make my writing available to people here I embraced him with tears in my eyes *Jewish Life After the USSR* Zvi Y. Gitelman, Musya Glants, Marshall I. Goldman, 2003 Provides up to date information and insights on the political economic and cultural situation of post Soviet Jewry
