The Joy Of Junk:

The Joy of Junk Mary Randolph Carter, 2015-09-23 Best selling author Mary Randolph Carter is back at it with a full throated celebration of junk and thrifting *The Joy of Junk* shows us how to live stylishly and creatively with the personally meaningful objects we love to collect for our homes From the author who taught us that junk is not a four letter word and drawing on her years of experience as a passionate thrifter and collector Carter highlights her favorite junking moments revels in the thrill of the hunt and imparts many personal tips for finding treasures in flea markets yard sales estate sales shops on the web or wherever you may find yourself With her passion for self expression and her personal approach to decor Carter speaks to our desire to surround ourselves with belongings that bring beauty and meaning to our lives Along the way Carter interviews other designers and high profile collectors such as Lisa Eisner Bunny Williams and Mike Wolfe from *American Pickers* among others revealing their favorite treasure hunts and showing us how they live with their collections Inspiring and liberating *The Joy of Junk* shows how we can integrate our passions and histories to live creatively and happily with the special and quirky objects that give our homes soul

The Joy of Living with Less Mary Lambert, 2010-01-21 Follow this unique programme to discover the joy of living with less items and discover how liberating and fulfilling life becomes when you learn to live with less The premise of this book is simple if you don't love it lose it Many people think that the more they own the more contented and happy they will be their lives become defined by their possessions In fact the opposite is often true the more we have the less happy and contented we are in mind body and spirit Decluttering expert Mary Lambert explains how having too much clutter can stop you moving forward in life and how learning to let go of items we neither love or need is liberating and fulfilling The challenge starts with an inventory of your personal possessions then you begin the process of clearing out your items addressing each area at a time from clothes to jewellery to hobby items Once you've tackled your personal items you can get started on the rest of your household goods

The Joy of UX David S. Platt, 2016-06-02 For years now I've been running around preaching to anyone who'll listen that UX is something that everybody not just UX people needs to be doing Dave has done an excellent job of explaining what developers need to know about UX in a complete but compact easy to absorb and implementable form Developers come and get it Steve Krug author of *Don't Make Me Think A Common Sense Approach to Web Usability* Master User Experience and Interaction Design from the Developer's Perspective For modern developers UX expertise is indispensable Without outstanding user experience your software will fail Now David Platt has written the first and only comprehensive developer's guide to achieving a world class user experience Quality user experience isn't hard but it does require developers to think in new ways *The Joy of UX* shows you how with plenty of concrete examples Firmly grounded in reality this guide will help you optimize usability and engagement while also coping with difficult technical schedule and budget constraints Platt's technology agnostic approach illuminates all the principles techniques and best practices you need to build great user experiences for the web mobile

devices and desktop environments He covers the entire process from user personas and stories through wireframes layouts and execution He also addresses key issues such as telemetry and security that many other UX guides ignore You'll find all the resources and artifacts you need complete case studies sample design documents testing plans and more This guide shows you how to Recognize and avoid pitfalls that lead to poor user experiences Learn the crucial difference between design and mere decoration Put yourself in your users shoes understand what they want and where when and why Quickly sketch and prototype user interfaces for easy refinement Test your sketches on real users or appropriate surrogates Integrate telemetry to capture the best possible usage information Use analytics to accurately interpret the data you've captured Solve unique experience problems presented by mobile environments Secure your app without compromising usability any more than necessary Polish your UX to eliminate user effort everywhere you can Register your product at informit.com register for convenient access to downloads updates and corrections as they become available
