⁴¹ The men of Nineveh will rise up in the judgment with this generation and condemn it, because they repented at the preaching of Jonah; and indeed a greater than Jonah *is* here.

The Judgment Of Jonah

William John Sparrow-Simpson

The Judgment Of Jonah:

The Judgment of Jonah Jacques Ellul, Geoffrey W. Bromiley, 2011-06-02 This is not a commentary in the traditional sense One might call it an existential commentary An important aim of the author is to bring out the relevance of the story of the person mission and situation of Jonah to Christians in our own time Above all this is a theological or more specifically a christological commentary The author s chief aim is to relate the book not to Christians but to Christ Ellul thinks Christ is the center of all Scripture and he also takes seriously the specific reference which Christ makes to the sign of Jonah If this reading is correct and the Bible is indeed a unity the exposition of Ellul though not developed in detail has a distinctive theological contribution to make Those who want acute theological insight and are not afraid of plain hard hitting application will read this vivid study with relish and profit From the Preface by G W Bromiley

The Judgment of Jonah Jacques Ellul, 1971

The Judgement of Jonah Alastair G. Hunter, 2022-04-21 This study is designed as a commentary with a difference where the reading of the prophet s travails is explored in the context of two wider themes 1 the overt and highly sophisticated intertwining of Jonah s story with an impressively wide range of other biblical texts often deployed in surprising ways and 2 the clearly contrarian relationship between God and Jonah which has both vexed and intrigued scholars and lay readers alike for millennia Underpinning this reading is a twofold thesis firstly an argument that many of the puzzles inherent in the book of Jonah can be illuminated in the light of the idea that Nineveh was from the beginning a cipher for the Jerusalem of the author s time and secondly that this would have been evident to Jonah s first readers the class of elite literati amongst the ruling cadre of late Persian or early Hellenistic Judaea

Jonah's Judgment Robert W. Foster, 2014-05-30 Jonah s Judgment a parable of judgment and justice is a modern retelling of the story of Jonah and his assignment to bring a warning to the doomed city of Ninevah Involved is Jonah s dilemma in his duty to God s directive as opposed to his own hatred for Ninevah and its people The lesson is that the Old Testament God who is popularly believed to be angry vengeful and punishing desires to show mercy whereas the man Jonah is bound by his own prejudices and sense of judgment Jonah is self willed and inflexible in his interpretation of God s system of justice In this account Jonah spends 40 days traveling about Ninevah announcing the approaching destruction of the city He confronts a variety of the citizens and leaders of the city with surprising reactions to his message This parable based on the O T book Jonah believed to have been written in the 9th century B C demonstrates the ageless tendency of man to substitute his own concept of justice and God s purposes as seen even today among some of the world s most determined religions The author Robert W Foster is a retired civil engineer In his semi retirement he continues to provide consulting services in dispute resolution and writes frequently for technical publications in the engineering and surveying disciplines He has three sons and two grandsons His wife of 47 years Margot died in 2001 He lives in Hopkinton Massachusetts

Heavenly Imagery and Symbolism in Matthew's Gospel Daehoon Kang,2023-11-21 The present study explores the role of heavenly imagery and symbolism in the Gospel of Matthew Historical background and narrative criticism are my main methods because the Old Testament and Second Temple Jewish texts form the historical backgrounds for the understanding of Matthew s heaven and Matthew uses heavenly imagery and symbolism to highlight his main themes in the gospel as a whole This study investigates Matthew s distinctive materials and important texts having to do with heaven exploring their meanings and establishing their roles in each narrative section Matthew describes heaven as the space where certain events reveal God s plan of salvation Heaven is associated with such key matters as revelation and judgment Each major discourse of Matthew focuses on heavenly imagery with judgment at its end culminating in the parable of the sheep and the goats Matt 25 31 46

Prophets of the Lord Mary J. Evans,2001-11-07 The Old Testament prophets were people who looked at the world and heard God speaking They looked at the creation and felt God s power They looked at pain and poverty and felt God s compassion They looked at oppression corruption and idolatry and felt God s anger They looked at faithful believers and felt God s encouragement They looked to the future and envisaged God s action They knew doubt discouragement and rejection but they stood firm because in looking at God s world they had sensed God s love They were real people speaking into real situations in a world where people s behavior and reactions were in spite of all the advances of modern technology not so very different from our own Mary Evans who lectured in Old Testament Studies for many years firmly believes that these people who spoke from God so many years ago are dynamically relevant in church and society today This book helps you understand the prophets and appreciate their relevance
