historical research with a gift for narrative to present a story that both students of the Great War and the general reader will find fascinating I thoroughly recommend this book John Gregory contributor to The Journal of the Henry Williamson Society

The Devil s Chariot is the product of six years of research by author John Glanfield who wanted to tell the story of the birth of the tank in World War I and importantly the men behind it Based on personal recollections and official reports Glanfield uncovers the British tank pioneers and their odd machines the men who supported the new weapon those who refused to accept their worth and the brave crews who took them into battle
