**Wedding, Water, Wine** Mark Wesley Irvin, 2018-02-21 A small town wedding takes place and the caterer doesn't bring enough wine A woman helping out at the event tells her son Suddenly some pots filled with water are now filled with wine Was this just a case of the right place and the right time with the married couple as the benefactors Or is there something of far greater magnitude going on than meets the eye Jesus the Son of God has just initiated His earthly ministry and this is the first miracle He performs Compared to His other miracles this one comes in last as far as wow factor And the number of people who knew about it was so few that the wedding festivities went on uninterrupted On the surface this miracle comes off as underwhelming and confusing Its purpose is obscure It is the least discussed of Jesus's miracles and when it is it generates the most wide ranging explanations A wedding is a love story and this one is no exception As we pull back the veil we will see that this is the most beautiful of love stories Watch as Jesus becomes the focal point of the event as opposed to a casual attendee who merely helps a young couple out of an embarrassing moment See Him in all His glory as He manifests God's love to us Learn how God's desire to have you in His family is the passion of His heart Find out how being His sons and daughters puts us in a position to be truly transformed Take a journey through a miracle which on the surface seems mundane but in reality is the most amazing event of all time
