Nor,2023-10-07 The world as we know it is about to end In just four days the world will come to a halt The birds will continue to sing and the sun will still rise in the east and set in the west but humanity will cease to exist Special Agent Daniel Knight had just begun working at Aurora a top secret division of the FBI when the first event occurred A mysterious virus that traps its victims in a prison of their own body leaving them dormant and unable to interact with the outside world their muscles stiffening in the last moment they remember The wealthy and enigmatic preacher Seth Cole stands at the altar of a small church proclaiming that humanity is facing God s wrath and that it is time to cleanse the world of sinners He clasps his hands together as if in prayer a ring with a shimmering blue crystal visible on his right hand As his hands come together the crystal begins to glow faintly Show your power he commands A blinding light flashes out across the hall and everyone except for ten people vanishes leaving only their ash behind 483 people gone in an instant The clock is ticking down Can Daniel and his team find the connection and devise a plan to prevent the end of the world before it is too late Tick tick tick      The Shadow of the Gloomy East Ferdynand Antoni Ossendowski,1925      **The Actual Jesus** Tina Pippin,2025-07-29 This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches across centuries and diverse global cultures Through fiction and film the connections are made with contemporary issues such as borders asylum seekers farmworker activism colonialism violence misogyny civil war and nuclear proliferation with a focus on the appearances of the actual Jesus in these worlds The Jesus in this study is explored in particular connections with the stories of baptism wilderness experience ascension and apocalypse What is found is often confusing challenging surprising and disturbing like the Jesus of the gospels      *The Writing of Innocence* Aïcha Liviana Messina,2022-07-01 The Writing of Innocence explores

the topic of innocence and the peculiar relationship to Christianity in the writing of Maurice Blanchot Its starting point is that innocence is not a condition relegated to a mythical past but rather one resulting from the construction of the subject in and through language Hence we don't lose innocence instead we are lost by innocence It is an excess not a lack This inverted notion of innocence raises new ethical and political issues that Acha Liviana Messina unfolds through vigorous readings of a series of biblical motifs including law grace and apocalypse The closing chapter turns to the convergences and divergences between Jean Luc Nancy's and Blanchot's understandings of the deconstruction of Christianity With a foreword by philosopher Serge Margel *The Writing of Innocence* offers a fresh perspective on Blanchot's writings in general and on his dialogue with Hegel in particular While staging innocence in its philosophical and literary dimensions *The Writing of Innocence* provides singular readings of works by Kierkegaard Agamben Derrida Nancy Camus Hugo and Kafka

**In the Shadow of the Apocalypse** Dinu Pillat, 2022-05-05 A captivating story of interwar Romania fascist extremism and revolutionary youth An exploration of the psychology and mysticism behind the rise of a violently nationalistic and anti-Semitic extreme right movement in interwar Romania *In the Shadow of the Apocalypse* is a fictionalized account of an actual historical organization the Legion of the Archangel Michael also known as the Iron Guard the Heralds in the novel responsible for heinous crimes against the Jewish population as well as anyone who opposed their views Written in cinematic sequences the novel captures the intensity of an inter-generational struggle between parents complacent in their comfortable lives and children eager to change the world but whose high ideals are hijacked and twisted by extremist ideological propaganda Completed in 1948 the novel played its own part in Romania's postwar history as it became the chief evidence for the prosecution in a famous 1960 trial staged by the communist authorities against the author Dinu Pillat and a number of other intellectuals Accused of the crime of having plotted against the social order on the basis of a distorted reading of the novel Pillat was sentenced to 25 years of forced labor and 10 years of deprivation of civil rights and liberties He was freed from prison in 1964 only to succumb to cancer in 1975 but the manuscript was not found until 2010 when it was finally recovered from the archives of the former Romanian communist secret service the Securitate and published A story with its own twisted history *In the Shadow of the Apocalypse* is not only an engrossing adventure a subtle dive into the human psyche and a powerful testimonial against the damage and dangers of extremisms of all kinds but also a must-read warning for our own times
