The Shadow Radio Classics:

The Classic Serial on Television and Radio Robert Giddings, Keith Selby, 2001-02-14 The classic serial invented by BBC Radio Drama sixty years ago survived and adapted itself to television the arrival of colour and the global market in what has become a flood of classics with all channels competing for ratings and overseas sales This richly detailed book traces these developments and analyses the genre's response to social economic technical and cultural changes which have reshaped it into the form we recognise today The book contains considerable interview material with performers and media professionals

Masterful Stories John V Pavlik, 2017-02-24 The early eras of radio storytelling have entered and continue to enter the public domain in large quantities offering unprecedented access to the Golden Age of Radio Author and Professor John Pavlik mines the best this age of radio has to offer in *Masterful Stories* an examination of the masterpieces of audio storytelling This book provides a chronological history of the best of the best from radio's Golden Age outlining a core set of principles and techniques that made these radio plays enduring examples of storytelling It suggests that by using these techniques stories can engage audiences emotionally and intellectually Grounded in a historical and theoretical understanding of radio drama this volume illuminates the foundational works that preceded popular modern shows such as *Radiolab* *The Moth* and *Serial* *Masterful Stories* will be a powerful resource in both media history courses and courses teaching audio storytelling for modern radio and other audio formats such as podcasting It will appeal to audio fans looking to learn about and understand the early days of radio drama

Listening to Radio, 1920-1950 Ray Barfield, 1996-07-30 Ray Barfield has done something quite new in media studies Rather than trace the history of radio through the usual route he has sought out a body of oral history from those who grew up with and listened to radio He has not only collated the responses of his informants but placed their comments in a larger cultural and historical context and thus provided a kind of history from the ground up He demonstrates thereby just how important and influential radio was in the lives of ordinary Americans General readers and scholars alike will learn something from Barfield's engaging narrative about why radio was once such a compelling force in our culture From the Foreword by Thomas Inge This fresh and engaging account of early radio's contributions to U S social and cultural life brings together varied perspectives of listeners who recall the programs that delighted and entranced them

The first electronic medium to enter the home radio is examined as a chief purveyor of family entertainment and as a bridge across regional differences Barfield draws from over 150 accounts providing a forum and a context for listeners of early radio to share their memories from their first impressions of that magical box to favorite shows Opening chapters trace the changing perceptions of radio as a guest or an invader in U S homes during the exuberant 1920s the cash scarce 1930s and the rapidly changing World War II and post war years Later chapters offer listener responses to every major program type including news reporting and commentary sportscasts drama comedy series crime and terror shows educational and cultural programs children s adventure series soap operas audience participation shows and musical presentations This fresh and engaging account of early radio s contributions to U S social and cultural life brings together varied perspectives of listeners who recall the programs that delighted and entranced them
