The Sitting Duck Division:

Sitting Duck Division John W. Morse,2001-01-05 This is the story of one boy soldier and his fellow GIs from draft to disaster and back during WW II From basic blunders to bitter battle and prisoner of war persevering a small town kid learns about life and death love laughter and more

Sitting Ducks Michael Bedard,2001-06-25 Day after day brand new ducks roll off a giant assembly line operated by alligators at the Colossal Duck Factory They are loaded into trucks and taken to Ducktown where they are fattened up in preparation for their final destination into the stomachs of alligators Everything proceeds smoothly until the day one of the alligators decides to take a wayward duck home Over time the alligator grows fond of his future dinner Can a duck and an alligator really be friends in an alligator eat duck world Find out in this charming and humorous friendship story

Sitting Ducks at Guadalcanal Lawrence A. De Graw,2023-12-15 On August 7 1942 U S Marines waded ashore in the Solomons defended by warships of the U S Navy The amphibious landing was the first major American ground campaign of the Pacific War intended to prevent the Japanese from establishing naval and air bases in the island chain and to establish Allied bases for future operations Most famously and most gruelingly the invasion marked the beginning of the months long Guadalcanal campaign Caught off guard the Japanese swiftly regrouped for a seaborne counterattack on the night of August 8 9 The result was one of the worst American naval defeats of the war after Pearl Harbor In this meticulous minute by minute retelling of the First Battle of Savo Island Lawrence De Graw covers the navy's role in the initial landings on Guadalcanal before setting the stage for the naval clash that would come the next night On the eighth the American commander fearing Japanese attacks and cautious about fuel levels withdrew his aircraft carriers and let his cruisers and destroyers exhausted from two days of high alert and combat operate with only half their crews on duty The navy was unaware the Japanese had been training to fight at night The American ships were sitting ducks when the Japanese fleet steamed through The Slot between Savo Island and Guadalcanal and into what became known as Ironbottom Sound In little more than thirty minutes the Japanese sent three U S and one Australian heavy cruisers to the bottom and damaged three other vessels The American fleet withdrew from the area for the foreseeable future and limited shipments of men and materiel to the daytime helping turn the battle of Guadalcanal into a long hard slog *Sitting Ducks at Guadalcanal* is naval history featuring a colorful narrative that covers the big picture as well as stories of individual vessels and sailors as well as a careful analysis of the battle and just what went wrong for the U S Navy off the island of Guadalcanal

Boys, Just Boys Brian Welke,2025-01-30 Through the voices of the men who experienced it *Boys Just Boys* relates the story of the 423rd regiment of the 106th Infantry Division during and after the Battle of the Bulge In mid December 1944 after rigorous training but no combat experience the men of the 423rd along with the rest of the division arrived in the snows and forested ravines of the Ardennes Schnee Eifel the mountains straddling the border between Germany and eastern Belgium As they dug into their positions they were assured the Germans no longer posed much threat A few days later in the early dawn of

December 16 massive German panzer divisions hit the American lines Positioned at the center of the attack the 423rd was hit head on Few of the men had seen battle before and they were vastly outnumbered by the enemy Many died in the assault and most of the survivors were taken prisoner Only a handful of soldiers escaped the Germans the 423rd was essentially destroyed Over 2 500 members of the 423rd were shipped as POWs to the east where they endured unimaginable hardships before the war in Europe ended They were crushed for days onto trains without food water or sanitary facilities they were herded into camps where they were starved beaten and frozen and they were sent to arbeitskommando work camps While some of the POWs died of disease and sepsis many died from starvation overwork and exposure Others were killed in Allied bombing and strafing raids and a few by executions and illegal shootings Then in the final months of the war as the Allies began to close in from east and west the Germans grew terrified that the conditions of the POW camps and arbeitskommandos would come to light and they herded the POWs across country on what amounted to death marches Boys Just Boys draws upon the private accounts that some veterans wrote Years later the author Kurt Vonnegut who was among the POWs housed in Dresden s slaughterhouse and forced to collect the dead from the cellars of the city after the Allied fire bombing wrote the novel Slaughterhouse Five Through eyewitness recollections of his fellow POWs as well as through records left with Vonnegut s family Boys Just Boys reconstructs the whole brutal chain of events Boys Just Boys draws entirely upon the author s personal interviews with surviving veterans of the 423rd and their families as well as upon their letters and memoirs their obituaries and US Army morning reports each individual soldier in the story is unforgettable From the prologue to the final page it is a spellbinding and heartbreaking record of courage loyalty and friendship in the face of horror degradation and cruelty

Industrial Club Work of Oregon Boys and Girls ,1917 **Honorable Warrior** Lewis Sorley,1998 A man of extraordinary inner strength and patriotic devotion General Harold K Johnson was a soldier s officer loved by his men and admired by his peers for his leadership courage and moral convictions Lewis Sorley s biography provides a fitting testament to this remarkable man and his dramatic rise from obscurity to become LBJ s Army Chief of Staff during the Vietnam War A native of North Dakota Johnson survived more than three grueling years as a POW under the Japanese during World War II before serving brilliantly as a field commander in the Korean War for which he was awarded the Distinguished Service Cross for extraordinary heroism The latter experiences led to a series of high level positions that culminated in his appointment as Army chief in 1964 and a cover story in Time magazine What followed should have been the most rewarding period of Johnson s military career Instead it proved to be a nightmare as he quickly became mired in the politics and ordeal of a very misguided war Johnson fundamentally disagreed with the three men LBJ Secretary of Defense Robert McNamara and

General William Westmoreland running our war in Vietnam He was sharply critical of LBJ's piecemeal policy of gradual escalation and his failure to mobilize the national will or call up the reserves He was equally despondent over Westmoreland's now infamous search and destroy tactics and reliance on body counts to measure success in Vietnam By contrast he advocated greater emphasis on cutting the North's supply lines helping the South Vietnamese provide for their own internal defenses and sustaining a truly legitimate government in the South Unheeded he nevertheless continued to work behind the scenes to correct the nation's flawed approach to the war Sorley's study adds immeasurably to our understanding of the Vietnam War It also provides an inspiring account of principled leadership at a time when the American military is seeking to recover the very kinds of moral values exemplified by Harold K Johnson As such it presents a profound morality tale for our own era

Cole Blackwater's life isn't what it used to be Once a political superstar within Ottawa's environmental movement he now runs a nearly defunct conservation strategy consulting firm that distinctly lacks a paying client His ex-wife loathes him for a scandalous affair that ended their marriage he feels he's failing his eight-year-old daughter as a father and he's turning far too often to the bottle to solve his problems When Peggy McSorlie head of the Eastern Slopes Conservation Group seeks his help to stop a mining project planned for Alberta's magnificent Cardinal Divide Blackwater jumps on the opportunity to earn enough money to pay the rent and buy a few pints at his favorite pub But when Mike Barnes head of the mining project is brutally murdered and a radical member of Eastern Slopes is accused of killing him Blackwater must first prove the man's innocence in order to save his own business and the future of the Cardinal Divide

In the hallowed halls of the capital some who have sworn to preserve our nation's union are secretly plotting its demise and they are willing to kill to achieve their goals The country has been split into two distinct factions over energy the haves those states that are fuel self-sufficient and the have-nots The inept execution of a flawed foreign policy in the Middle East has resulted in an Arab-backed oil embargo of the United States Now the country is in the grips of the most severe winter in years and rationing has led to unrest and rioting in the streets and certain politicians and business power brokers are ready to make a move As masses freeze in Chicago and the northeast fuel-sufficient sunbelt conspirators seek to separate themselves from the rest of the nation make their own foreign policy and govern by their own rules and to do it they will resort to blackmail bribery and even murder The Constitution is only a stumbling block and it can be amended The United States will be united no more
