The Two Of Us:

The Two of Us Jim Dale, Ellen Small, 2013-02-05 Women often share a special bond that starts with secret giggles in childhood and lasts well forever In *The Two of Us* authors Ellen Small and Jim Dale pay tribute to those special relationships between girlfriends of every age *The Two of Us* helps girlfriends tell each other just how they feel about their most special alliance In this delightful gift book they'll find touching words about the true meaning of friendship and photographs that evoke a spirit of warmth and camaraderie The two of us cry at TV commercials about reunions but would never admit it to anyone else can eat a party size bag of M and M's in one sitting have a sense when things will go on sale love dancing and would dance with each other if it wasn't so queer *The Two of Us* Andy Jones, 2015-04-21 Anyone can fall in love But not everyone can stay there Fisher and Ivy have been an item for all of nineteen days Both of them have been in relationships before and this time around they know something is different that they are meant to be together The fact that they know little else about each other is a minor detail But over the next year in which their lives will change forever Fisher and Ivy will discover that falling in love is one thing and staying there is an entirely different story *The Two of Us* is a charming honest laugh out loud novel about life love and the importance of taking neither one for granted *Just the Two of Us* Jo Wilde, 2022-04-12 A couple on the brink of divorce after 35 years of marriage gets a second chance to rediscover their love now that a pandemic lockdown has forced them to spend more time together Julie and Michael Marshall have stayed together through thick and thin through better and worse and for the last few years it has mostly been worse As their thirty fifth wedding anniversary approaches Julie realizes something she doesn't want to pretend anymore Divorce papers at the ready she's just about to have The Talk with Michael when everything changes Lockdown begins and Julie and Michael face the greatest terror they can imagine uninterrupted time with each other But when stripped of all distraction and forced to meet eyes across the dinner table could it be that Julie and Michael might find a way back to where they first began *Just the Two of Us 2* Ryu Hyang, 2021-03-09 Soohyuk a pediatric emergency medicine specialist came to Korea in search of his birth parents wanting to sort through the muddled darkness of his past When he met Yuna an anxious cook he didn't expect to fall in love Yuna has struggled all her life to trust men after an incident in her past and spends all her time doting upon her nephew and pursuing her one true love cooking The last thing she expected when she met Soohyuk was that she would want to move in with him Both took a leap of faith and found happiness Now it seems certain they were meant for each other Yet navigating the twists and turns of a real relationship proves more difficult than either of them expected Yuna fears what her brother will say when he finds out she's living with Soohyuk and she grapples with the changes brought on by her young nephew's recent medical diagnosis Meanwhile Soohyuk is tied up working hours on end at S University Hospital fending off the hospital director and his son who can't seem to leave him alone As they build a new life together in Seoul both of them help each other grow Soohyuk encourages Yuna to open herself up to him in ways she never has before and Yuna encourages

Soohyuk to open his heart to the possibility of forgiving the family he once had and lost who might be closer than he thinks
