The Guide Georgia Dunne, 2016-09-10 No one was born great The greatest athletes in the world have poured blood sweat and tears into their sport to become the best and this book covers exactly what you need to do to separate yourself from the rest of the pack Despite being surrounded by great athletes only a select few are able to break through the ranks and come out on top One thing sets them apart and enables them to continually break records and become better on a daily basis This book dives deep into how you can condition your mind to become one of the greatest athletes to ever step foot on the field and teach you exactly how to smash through every goal you have ever set for yourself Although this book is primarily focused on soccer any athlete from any background will be able to learn valuable lessons and implement them into their games and competitions
