Shewan Collection,1922      The Unity of Homer John Adams Scott,1921      **Homer's Iliad and the Problem of Force** Charles H. Stocking,2023-04-05 The topic of force has long remained a problem of interpretation for readers of Homer s Iliad ever since Simone Weil famously proclaimed it as the poem s main subject This book seeks to address that problem through a full scale treatment of the language of force in the Iliad from both philological and philosophical perspectives Each chapter explores the different types of Iliadic force in combination with the reception of the Iliad in the French intellectual tradition Ultimately this book demonstrates that the different terms for force in the Iliad give expression to distinct relations between self and other At the same time this book reveals how the Iliad as a whole undermines the very relations of force which characters within the poem seek to establish Ultimately this study of force in the Iliad offers an occasion to reconsider human subjectivity in Homeric poetry      The Unity of Homer John Adams Scott,1921      **Homer's Iliad** Katharina Wesselmann,2023-04-27 The renowned Basler Homer Kommentar of the Iliad edited by Anton Bierl and Joachim Latacz and originally published in German presents the latest developments in Homeric scholarship Through the English translation of

this ground breaking reference work edited by S Douglas Olson its valuable findings are now made accessible to students and scholars worldwide

The Greek Attitude to Poetry and History A. W. Gomme,2024-03-29

SATHER CLASSICAL LECTURES Volume Twenty seven The Greek Attitude to Poetry and History examines the interplay between poetry and history in ancient Greece focusing on figures like Homer Aeschylus Herodotus Thucydides and Demosthenes while deliberately excluding Xenophon and later historians like Polybius The study halts at the fourth century BCE due to the author s limited time for researching later periods and the need to preserve the topic s depth Originating from lectures on Aristotle s Poetics delivered in Glasgow the work retains its lecture style with minor scholarly additions The title reflects an exploration of Greek poetry addressing historical themes and history adopting poetic modes offering insights into the cultural and intellectual traditions of the time Despite its fragmentary nature the book provides a focused analysis of the dynamic relationship between historical narrative and poetic expression in ancient Greece This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1954
