Beyond the Minimal Peter Allison,Adolf Krischanitz,Architectural Association (Great Britain),ARTEC (Firm),Pauhof (Firm),1998 *Beyond the Minimal* presents four of the most interesting practices in Austria today Artec Adolf Krischanitz PauHof and Riegler Riewe Certain qualities of formal reduction are evident in the work of all four architects but none of them equates minimalism with negation or absence in the sense that the term has been used in writings on architecture They have been brought together because of the affinities in their approach their common interest in materials structure and the contribution of the building to the larger environment Each practice is represented by a survey of around a dozen projects including houses schools offices and exhibition pavilions The survey is complemented by texts that link the work to broader developments in European particularly Swiss architecture The Strategility Method Kerstin Pichel,Thomas Haas,Bernhard Kruschitz,2024-10-31 The toolbox shows how strategy content can be systematically developed in an agile light footed way and with the joy of experimentation The team of authors explains how the advantages of agile methods can be utilised and how they can be combined with proven and familiar elements of conventional strategy development Using many examples

from different sectors and sizes of organisations and administrations they show which approaches lead to success and which stumbling blocks you may encounter
