Excerpt: THE TYPEWRITER GIRL Chapter i INTRODUCES A LATTER DAY HEROINE I Was twenty two and without employment I would not say by this that I was without occupation In the world in which we live set with daisies and kingfishers and undeciphered faces of men and women I doubt I could be at a loss for something to occupy me A swallow s back as he turns in the sunshine is so full of meaning If you dwell in the country you need but pin on a hat and slip out into a meadow and there in some bight of the hedgerow you shall see spring buds untwisting sulphur butterflies coquetting hear nightingales sing as they sang to Keats and streamlets make madrigal as they wimpled for Marlowe Nay even Lhere m London where life is rarer how can I cruise down the Strand without encountering strange barks mysterious argosies that attract and intrigue me That living stream is so marvelous Whence come they these shadows and whither do they go innumerable silent each wrapped in his own thought yet each real to himself as I to my heart To me they are shooting stars phantoms that flash athwart the bribit of my life one second and then vanish But io themselves they are the ceirCre of a Wdrld of the world and I am but one of the meteors that dart across their horizon I cannot choose but wonder who each is and why he is here For one after another I invent a story It may not be the true story but at least it amuses me Every morning I see them stream in from the Unknown by the early 1 rains and disperse like sparks that twinkle on the thin soot of the chimney back men with small black bags bound for mysterious offices What happens in those offices I have no idea they may lend money or buy shares or *The Typewriter Girl* Grant Allen, 2023-07-18 Set in the late 19th century this novel tells the story of Betsey Dobson a typewriter girl who dreams of a different life When she falls in love with a young writer she must choose between following her heart and staying true to her principles This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **"The Typewriter Girl."** Rudolf Raimann, 19?? **The Typewriter Girl** Alison Atlee, 2013-01-29 ALL BETSEY DOBSON HAS EVER ASKED IS THE CHANCE TO BE VIEWED ON HER OWN MERITS BUT IN A MAN S WORLD THAT IS THE UNFORGIVABLE SIN When Betsey disembarks from the London train in the seaside resort of Idensea all she owns is a small valise and a canary in a cage After attempting to forge a letter of reference she knew would be denied her Betsey has been fired from the typing pool of her previous employer Her vigorous protest left one man wounded another

jilted and her character permanently besmirched Now without money or a reference for her promised job the future looks even bleaker than the debacle behind her But her life is about to change because a young Welshman on the railroad quay waiting for another woman is the one man willing to believe in her Mr Jones is inept in matters of love but a genius at things mechanical In Idensea he has constructed a glittering pier that astounds the wealthy tourists And in Betsey he recognizes the ideal tour manager for the Idensea Pier Pleasure Building Company After a lifetime of guarding her secrets and breaking the rules Betsey becomes a force to be reckoned with Now she faces a challenge of another sort not only to outrun her sins but also to surrender to the reckless tides of love
