Vote For Larry:

Vote for Larry Janet Tashjian, 2008-09-02 Those were the magic words and Beth knew it How many times had I uttered that phrase to Ms Robinson in guidance the standard answer for what I wanted to do with my life CHANGE THE WORLD Did I still have the strength and determination to get it together and try to make a difference Was it my destiny my vocation Or was I just trying to impress a girl As I looked at Beth I wondered if the reason why even mattered The indefatigable Larry is back and this time he takes on the American political system After falling off the wagon and becoming what he so clearly and strongly resisted a consumer Josh Swensen aka Larry finds himself in a hyper paranoid state of no return That is until he is kidnapped and coaxed into resurfacing as his old persona Before long Larry is back on the scene with much more on his mind than a gospel Web site this time Larry wants to affect change in government What starts out as a campaign to get the younger population to vote turns into a run for the presidency Can Larry really take on George Bush In this very smart very witty novel Janet Tashjian brings the political world to the forefront and explores it from many different points of view
