

A vow of chastity is an act of respect, faith and devotion. The cage becomes a symbol of love: you should be proud to wear it.

MacErlean,1908 Convent Life Arthur Devine,1890 **States of Christian Life and Vocation, According to the
Doctors and Theologians of the Church** Jean-Baptiste Berthier,2022-09-15 In States of Christian Life and Vocation
According to the Doctors and Theologians of the Church Jean Baptiste Berthier meticulously explores the manifold
dimensions of Christian vocation delineating the spiritual and moral implications inherent in various states of life from the
laity to the clergy Drawing extensively from the rich tradition of Church Fathers and renowned theologians Berthier employs
a scholarly yet accessible literary style weaving historical context with theological insight The book provides a profound
examination of the interplay between personal choices and divine calling offering an intricate tapestry of pastoral wisdom
that situates itself within both contemporary discussions and classic theological discourse Jean Baptiste Berthier a prominent
figure in 19th century theology was deeply influenced by his rigorous academic training and ecclesiastical duties His
extensive engagement with the spiritual writings of the Church coupled with his own experiences in pastoral ministry
propelled him to articulate the significance of each Christian s unique vocation Berthier s theological acumen reflects a
synthesis of faith and reason aiming to enrich the spiritual lives of the faithful while bridging doctrinal knowledge with
practical application I wholeheartedly recommend this illuminating work to scholars clergy and laypersons alike Berthier s
text is not merely a theological treatise but a guide for living a life attuned to the divine calling encouraging readers to
reflect on their own states of life in relation to the broader Christian community This book is a valuable resource for anyone
seeking to deepen their understanding of vocation within the Christian tradition Convent Life, Or, The Duties of Sisters

reasons why I have chosen to live a celibate life and remain a virgin for the rest of my life At first I had no intention of writing
such a book however as I became aware of the discrimination against asexuals and other people who are celibate I saw that a
book like this might be helpful to them to show them that they are not alone However it s more than that for me personally
While most people have a few very specific reasons for being celibate I have many different reasons I suspect that I will need

to publish future editions of this book as I discover more of my reasons and respond to criticism And people do criticize me They think that a person who doesn't want to have sex is somehow broken and needs to be fixed And I'll be the first to admit that I'm broken but having sex isn't going to fix me I am happy with who I am and I don't need validation from other people for my Vow of Chastity While it may be a personal rant of frustration at the things people have said to me through the years my hope is not for you to find humor in it nor for you to feel sorry for me My hope is that young people will read this before they have damaged their lives with sexual intercourse and the consequences that trap them and keep them from reaching their full potential I also hope that there will be fewer abortions as a result of people waking up to the reality that celibacy is the solution to the problem of unwanted pregnancy
