Based on the book by Judy Blume

Wabansi Fiend Or Friend

Barry T. Klein

Wabansi Fiend Or Friend:

Wabansi Alice Fitch Zeman,1991 **Illinois in the War of 1812** Gillum Ferguson,2012-01-26 Russell P Strange Book of the Year Award from the Illinois State Historical Society 2012 On the eve of the War of 1812 the Illinois Territory was a new land of bright promise Split off from Indiana Territory in 1809 the new territory ran from the junction of the Ohio and Mississippi rivers north to the U S border with Canada embracing the current states of Illinois Wisconsin and a part of Michigan The extreme southern part of the region was rich in timber but the dominant feature of the landscape was the vast tall grass prairie that stretched without major interruption from Lake Michigan for more than three hundred miles to the south The territory was largely inhabited by Indians Sauk Potawatomi Kickapoo and others By 1812 however pioneer farmers had gathered in the wooded fringes around prime agricultural land looking out over the prairies with longing and trepidation Six years later a populous Illinois was confident enough to seek and receive admission as a state in the Union What had intervened was the War of 1812 in which white settlers faced both Indians resistant to their encroachments and British forces poised to seize control of the upper Mississippi and Great Lakes The war ultimately broke the power and morale of the Indian tribes and deprived them of the support of their ally Great Britain Sometimes led by skillful tacticians at other times by blundering looters who got lost in the tall grass the combatants showed each other little mercy Until and even after the war was concluded by the Treaty of Ghent in 1814 there were massacres by both sides laying the groundwork for later betrayal of friendly and hostile tribes alike and for ultimate expulsion of the Indians from the new state of Illinois In this engrossing new history published upon the war s bicentennial Gillum Ferguson underlines the crucial importance of the War of 1812 in the development of Illinois as a state The history of Illinois in the War of 1812 has never before been told with so much attention to the personalities who fought it the events that defined it and its lasting consequences Endorsed by the Illinois Society of the War of 1812 and the Illinois War of 1812 Bicentennial Commission **Indian Placenames in America** Sandy Nestor,2015-05-07 The American Indians have lost much of their land over the years but their legacy is evident in the many places around the United States that have Indian names Countless placenames have however been corrupted over time and numerous placenames have similar spellings but different meanings This reference work is a reprint in one combined volume of the two volume set published by McFarland in 2003 and 2005 Volume One covers the name origins and histories of cities towns and villages in the United States that have Indian names It is arranged alphabetically by state then alphabetically by city town or village name Additional data include population figures and county names Probable Indian placenames with no certain origin also receive entries and as much history as possible is provided about those locations Volume Two covers more than 1400 rivers lakes mountains and other natural features in the United States with Indian names It is arranged by state and then alphabetically by natural feature Counties are provided for most entries with multiple counties listed for some entries where appropriate In addition to name origins and meanings geophysical data such

as the heights of mountains and lengths of waterways are indicated Annals of Iowa ,1999 Illinois History Ellen M. Whitney,Illinois State Historical Library,1995-02-22 Cosponsored by the Illinois State Historical Library and the Illinois State Historical Society this bibliography lists more than 4 600 books articles and manuscript sources Drawing on the publications of the sponsoring organizations as a guide and to form the core of the volume the editors include the major historical publications related to Illinois Following a chronology of Illinois history entries are organized in both chronological and topical chapters The volume provides the only extensive bibliography on Illinois history currently available Covering the entire span of Illinois history from prehistory to the present the chronological section includes chapters on such major periods as the early exploration and territorial periods the Civil War era the 19th century and the Depression era Topical chapters include broad topics such as economic history education environment and native Americans The volume also includes a section devoted to biography and one covering general and regional histories and reference sources
