Waiting For It:

Serenity - When they find peace they will be waiting for it Umut Saraç,2019-10-06 What was the script two years ago How is it written What should it contain I did not have the information to give a very clear answer when asked to many questions like but it was always my dream While I was writing this I didn t think too much so that it would be like this or that Already the first Anyway we wrote it somehow and completed it with what I researched and learned However since I neither have the time to pursue a producer nor have an industry acquaintance to trust and present I have compressed all the files and recorded them in history Then I thought a little and time passed I said why not make this e Book and read it at small prices and this has come to this point Coming to our story without spoilers In fact it is a social plot that has recently increased The middle school girl of our protagonist Yunus is kidnapped and brutally killed by a completely coincidental coincidence Yunus starts to reconcile the Dreams and dreams equation with the real world and puts himself in an equation without a psychological outlet Yunus will try to find the culprits by learning the events between dreams dreams and real life The rest goes into spoiles you ll want to finish according to the realistic interpretation of a few curious friends that I have already read
