

The background of the image is a dark, busy scene. It features several Truffula trees with their characteristic green, segmented stems and large, fuzzy, multi-colored tops. In the background, a crowd of people is depicted in a waiting area. Some people are standing, some are sitting on a bench, and one person is pushing a stroller. The overall atmosphere is one of a crowded, busy public space.

Waiting Place:

The Waiting Place Eileen Button,2011-06-06 Some of the most priceless gifts can be discovered while waiting for something else We all spend precious time just waiting We wait in traffic grocery store lines and carpool circles We wait to grow up for true love and for our children to be born We even wait to die But while we work hard at this business of living life can sometimes feel like one long boring meeting Even today with instant gratification at our techno laced fingertips we can't escape the waiting place Somehow in between our texting and tweeting and living and dying we end up there again and again In the voice of an old friend or a wise cracking sister Eileen Button takes us back to the days of curling irons and camping trips first loves and final goodbyes big dreams and bigger reality checks With heart breaking candor she calls us to celebrate the tension between what we hope for tomorrow and what we live with today Chock full of humor and poignant insights these stories will make you laugh and cry They'll challenge you to enjoy or at least endure the now As Eileen has learned To wait is human To find life in the waiting place divine Come discover miracles in the mundane Come celebrate life in The Waiting Place
