What Is Loving:

What is the Trinity and Why Does it Matter? Steve Dancause,2020-03-31 How is the one God also three persons How is Jesus fully God and fully human Who in the world should we pray to And why does any of it matter Steve Dancause offers a succinct and profound investigation into how what we think about God as Trinity matters in our faith our work and our love It matters because the walls of our churches are cracking around us We can keep patching things up but it is better to go to the foundation and do the hard digging With the right foundation the structure holds and it stands the test of eternity And it is only in Jesus and the Trinity he reveals to us that we build our lives on solid rock Let s dig down together The Jesus Way Small Books of Radical Faith delve into big questions about God s work in the world These concise practical books are deeply rooted in Anabaptist theology Crafted by a diverse community of internationally renowned scholars pastors and practitioners The Jesus Way series helps readers deepen their faith in Christ and enliven their witness Accessible Jesus centered theology from an Anabaptist perspective Designed for use by individual readers small groups and Christian education classes Glossary of terms and discussion and reflection questions in each volume

The Nature of God Edward R. Wierenga,2018-05-31 The Nature of God explores a perennial problem in the philosophy of religion Drawing upon developments in philosophy most notably those in philosophical logic Edward R Wierenga examines the traditional divine attributes of omnipotence omniscience eternity timelessness immutability and goodness His philosophically defensible formulations of the nature of God are in accord with the views of classical theists The author provides an account of each of the divine attributes by stating in contemporary terms what such classical theists as Augustine Anselm and Aquinas wrote about the nature of God he then seeks to determine whether one can defend the ascription of traditional divine attributes to God against philosophical objections Clearly written and comprehensive The Nature of God contains a wealth of illuminating and original material on a central topic in the philosophy of religion

The Triumph of Love Eric Reitan,2017-07-31 Recent years have witnessed an astonishing cultural and legal shift when it comes to homosexuality and same sex marriage Many Christians see these changes as a defeat for Christian values often painting Christian opponents as sell outs to secular culture But can there be a genuinely Christian case for same sex marriage This book makes that case While sensitive to scriptural issues it focuses on a question that cannot be answered by Scripture alone What does love for our gay and lesbian neighbors demand This question calls us to pair theological philosophical and scriptural reflection with something else attention to gay and lesbian lives We must attend to the psychological research and more importantly to the stories our gay and lesbian neighbors tell us about themselves and their experience Love does not permit us to plug our ears with Bible verses While this book argues that Christian love calls us to make same sex marriage available the deeper conclusion is that Christian values prevail when we wrestle with these questions in a spirit of love love for those with whom we disagree and love for those most affected by the decisions we reach
