## What I Remember:

**What I remember By Michael Coughlin** , *What I Remember Most* Cathy Lamb,2014-08-26 After her husband s betrayal an artist tries to reinvent herself in small town Oregon in this novel by the author of If You Could See What I See Grenadine Scotch Wild has only vague memories of the parents she last saw when she was six years old But she s never forgotten their final panicked words to her urging Grenadine to run The mystery of their disappearance is just one more frayed strand in a life that has lately begun to unravel completely One year into her rocky marriage to Covey a well known investor he s arrested for fraud and embezzlement And Grenadine now a successful collage artist and painter is facing jail time despite her innocence With Covey refusing to exonerate her unless she comes back to him Grenadine once again takes the advice given to her so long ago she runs Hiding out in a mountain town in central Oregon until the trial she finds work as a bartender and as assistant to a furniture maker who is busy rebuilding his own life But even far from everything she knew Grenadine is granted a rare chance as potentially liberating as it is terrifying to face down her past her fears and live a life as beautiful and colorful as one of her paintings Cathy Lamb kept me up half the night I could not put her latest novel What I Remember Most down USA Today bestselling author of Under the Southern Sky **What I Remember** Paul C.
