

A scenic landscape at sunset or sunrise. The sun is low on the horizon, casting a warm, golden glow over the scene. A road curves through the landscape, and a stream flows in the foreground. The sky is filled with soft, wispy clouds. The overall mood is peaceful and contemplative.

## What Is Your Destination:

**What's Your Destination Today?** Stanley W. Mael, 2019-08-05 Ever wonder what road you're on or whether you will get to your desired destination I know I have You may be like the kid on the front cover lost lonely stranded waiting for a ride any ride to come along You can't tell from the picture where he's headed but I would suggest that just any old ride is not the best one You need to know where you're being taken how you're going to get there who the driver is and if there are any conditions associated with the trip In *What's Your Destination Today* I explore all those issues in ten words that will change your destiny and perhaps your direction too Pack your bags the road is calling Tourist Destinations Douglas G. Pearce, 2020-11-23 Destinations are a central feature of tourism and the focus of much tourism research Destinations have been studied from diverse perspectives using multiple concepts and a range of approaches As a result destination research today has become increasingly fragmented as studies have become more specialized There is a need for a more integrated approach one which systematically draws together these different research threads to provide a comprehensive and coherent picture and a fuller understanding of destinations their structure and how they function This book provides such a synthesis by critically reviewing a wide range of international research and incorporating in one volume many different facets of destinations from studies which have appeared in related but often divergent literatures Conceptual and methodological issues are illustrated with empirical examples from Europe North and South America Asia and Oceania *Records & Briefs New York State Appellate Division*, **Washington Education Journal**, 1928 National Taxicab and Motorbus Journal, 1922 *Emigration.
