

An aerial photograph of a city, likely New York City, taken from a high angle. The image is dimly lit, suggesting dusk or dawn, with a warm, orange glow from the sun low on the horizon. The city's grid pattern of streets and buildings is visible, along with a large highway interchange on the left side. A quote is overlaid in the center of the image in a white, sans-serif font.

A wind picked up and I  
could feel the sea within it.
