Stupid, Ugly, Unlucky and RICH

Richard St John,2005 Have you ever wondered what leads to success Do you just need to be smart great looking or lucky

Richard St John says those things dont lead to success And he should know He spent 10 years interviewing over 500

successful people from Martha Stewart to actor Russell Crowe to DNA discoverer James Watson to the top people in many fields After analyzing and sorting all the information Richard discovered the top 8 factors that are the foundation for success

in any field He also discovered that many successful people aren t especially smart good looking or lucky They re ordinary

people without special gifts who achieve success by following the 8 factors Richard himself is a good example He says I could never figure out how an ordinary guy like me succeeded in business won top awards and became a millionaire So I started a project to ask other people what led to their success and it grew into a 10 year journey of discovery The story is in Richards new book *Stupid Ugly Unlucky and RICH Spikes Guide to Success* an easy to read analysis that gets beyond the cliches to distill what the worlds most successful people really do have in common *More Than a Job! How to Win at Working!*

Robert Henley Woody, 1980 Outlines ways to assess your personality and interests in order to make perceptive career choices to acquire useful social skills and to develop a mature attitude about work
