World According To Martha:

The World According to Martha Martha Stewart, 2005-08 Presents a collection of quotes by Martha Stewart that when culled together describe her in her own words through every phase of her life from running a business to making a home and building an empire

Being Martha Lloyd Allen, 2010-12-23 Being Martha is a personal at times a searingly personal account of Martha's life from the inside by a friend It's fascinating very anecdotal and very emotional It won't be like anything else you've ever read about her John Small editor of SaveMartha.com From Being Martha Martha has taught people to do many things and not in the way an ordinary teacher would but in her own particular way She taught people about the good things in life the simple things Martha Kostyra Martha's mother My mother and I have always been close We are not closer since the trial and prison we've always been close Don't we all want a better life No matter what they say about my mom all she ever does is teach the world good things that will help them in life So what if she shows you the perfect way to do it Would you want your professor at school to do anything less in any other subject Her fans know what she's all about Alexis Stewart Martha's daughter It was all about going and finding a piece of land and living off of it learning how to get back to nature Listening to banjos listening to folk music discovering Leadbelly and the Mamas and the Papas We used to have the greatest evenings with a bunch of hospitable people Martha would make pies and other things for the occasions George Christiansen Martha's brother about the early years Martha raised the bar for me and made me think big We have an alley cat Ricky that lives next door at the deli and he roams in and out of the neighborhood Ricky has no tail he's dirty and he acts like a dog One morning during the trial Martha was in the salon wearing a three thousand dollar Jil Sander suit She was sitting on one of the chairs in the back Ricky came in and jumped on top of her and was all over her licking her neck and putting paw marks all over her Martha said Oh my God this cat is so dirty this is such a dirty little cat But she let him crawl all over her She just dusted the hair and dirt off She really has a lot of kindness in her Eva Scrivo Martha's friend and hairdresser

Preaching and New Worlds Timothy Johnson, Katherine Shelby, John Young, 2018-12-07 This collection of essays examines the polyvalent concept of New Worlds in the context of medieval and early modern sermon studies While the terms Old World and New World are commonplace in studies of Europe and the Americas this volume explores how preaching in the Atlantic world and beyond creatively engaged audiences in addressing new cultural and religious perspectives regardless of their geographical location and time period The identification of the other in sermons is already an implicit recognition of a novel world which could be equally enticing and intimidating The scholars represented in this volume examine a wide panorama of medieval and early modern efforts as they identify how sermons which often served as a highly effective media of mass communication reflect shifting identities sometimes contested and sometimes embraced within long standing traditional constructs Particular themes include apocalypticism art and mission cultural interaction multilingualism forms of religious life and theological innovation
