John Hill,1999 In recent years the role and identity of British cinema has been changing and it is these changes with which British Cinema in the 1980s is concerned It looks at the increasing domination of the world film industry by Hollywood and the response of British filmmaking to this the role of government and the increasingly close relationship between film and television It also examines the kinds of images British cinema produced in this period and how they relate to a shifting sense of British identity The book not only looks at the appeal of images of the past in the heritage film such as *Howards End* and films of Empire such as *A Passage to India* but also discusses the more questioning images of the present by the state of the nation film such as *Letter to Brezhnev* and *My Beautiful Laundrette* In doing so it explores how these films deal with issues of class gender and ethnicity and how these in turn connect to our understanding of the Britishness of British cinema British Cinema in the 1980s will become the definitive study of an important period of British filmmaking Bringing together a discussion of British society the British film industry and British films John Hill provides an accessible analysis of the main themes and issues characterizing British cinema of the time **International Index to Film Periodicals** ,1997 *The Cinema of Mike Leigh* Garry Watson,2004 A keen observer of British manners and mores Mike Leigh has been hailed as a celebrator of ordinary people Comparing and contrasting all his films from *Bleak Moments* and *High Hopes* through *Naked* the Oscar nominated *Secrets and Lies* and *Topsy Turvy* to *All or Nothing* Garry Watson considers this claim examining both their influence and their effect Through careful textual detail and wider social and literary comparison with the works of Charles Dickens and T S Eliot he argues ultimately for the artistic and cultural significance of Leigh s work as one of Britain s most respected film makers The Publishers Weekly ,1906 **Jewish Renaissance** ,2005 *Britannica Book of the Year* ,2017 The British Cinema Book Robert Murphy,2009-03-31 The history and characteristics of the British cinema are covered in a range of essays in this book each written by an expert in their field **London Magazine** John Lehmann,Alan Ross,1996 **CURRENT CONTENTS** ,1997 British Television Drama Lez Cooke,2003-06-11 No Marketing Blurb International Labor and Working Class History ,2001 **Choice** ,2004
