

I Want You Back

**Sitting by the river
Dreaming through my reflection
I wonder what has happened
What has caused this distance**

**We used to be together
Cuddling close to each other
What came between our beautiful love?
I don't know, though I wish to**

**I can see you now, not alone
You're holding a hand, that's not mine
Where am I? Why not next to you
Why am I away? I don't understand**

**You're smiling to the fullest
I am not the one making you happy
You are glancing at someone else
Why is it not me?**

**Seeing you after such a long time...
My heart sighs again
Some thing inside me growls loud
Cause now your hand runs thru her hair**

**I stand some distance well away
But the surroundings disappear
When I look at you, I feel lost inside
I wish you back, my angel**

**There you are, holding her hand
And I am lost, trying to understand...
I want you back, I really do
Just to hold your hand
And walk with you**

You at the Back Roger McGough, 1992 **You at the Back** Roger McGough, 1997-08-28 *You at the Back* Roger McGough, 1991 You at the Back Roger McGough, 1992 Collected Poems Joseph Ceravolo, 2013-05-20 Like an underground river the astonishing poems of Joseph Ceravolo have nurtured American poetry for fifty years a presence deeply felt but largely invisible *Collected Poems* offers the first full portrait of Ceravolo's aesthetic trajectory bringing to light the highly original voice that was operating at an increasing remove from the currents of the time From a poetics associated with Frank O'Hara and John Ashbery to an ever more contemplative deeply visionary poetics similar in sensibility to Zen and Dante William Blake and St John of the Cross this collection shows how Ceravolo's poetry takes on a direct quiet lyricism intensely dedicated to the natural and spiritual life of the individual As Ron Silliman notes Ceravolo's later work reveals him to be one of the most emotionally open vulnerable and self knowing poets of his generation Many new pieces including the masterful long poem *The Hellgate* are published here for the first time This volume is a landmark edition for American poetry and includes an introduction by David Lehman *The Collected Poems of Thomas Hardy* Thomas Hardy, 1994 This work comprises a collection of the poetic works of Thomas Hardy Hardy's poetry spanned over 50 years from the last half of the 19th century to the period after World War I and ranges from pessimistic works to those which were witty and fanciful

The Collected Poems of Amos R. Wells Amos Russel Wells, 1921 **The Collected Poems of Ted Berrigan** Ted Berrigan, 2007-03-21 Comfortably intimate classically adroit in its formal wit and invention altogether unique yet in no way excluding this meticulously edited edition of a master poet's collected works gives us the defining bridge from the New American Poetry of the 50s to that poetry now contemporary on both coasts and in all conditions No one ever recognized the people with whom he lived more particularly than did Ted Berrigan and no one ever brought them home to a reader with such unaggressive and persistent power This is a great great book for all seasons of the mind and heart Robert Creeley Ted Berrigan was a leader of the New York School his crazy energy embodied that movement and the city itself It is wonderful to have his *Collected Poems* in print John Ashbery A comprehensive and carefully chronicled volume that puts Ted Berrigan in historical context as one of the most influential poets of his generation His poems deft light definitely humorous irreverent poignant marvelous and tough The truth doing its work the great man doing the ordinary thing with a quick ear and a quick tongue revealing the personal in the universal He gives you his full attention about to be born again thinking of you Joanne Kyger In a life devoted to experimental art Ted Berrigan shaped his poetry and the space he occupied with a bold artistry based on his playful but powerfully skeptical view of the world He wondered what might actually be captured within the pages of a book but *The Collected Poems* allows us to again enjoy Ted Berrigan's delightfully demanding presence Lorenzo Thomas A singular balance of personal historical vision and sentiment both sweet and sour developed within the fractured verbalism of the late twentieth century found lyric creates in Ted Berrigan's poems the unique colors of a particularly lived

and still intensely living ensemble of moments Tom Clark author of *Late Returns* A Memoir of Ted Berrigan Some people are just more real than others I don't know another way to say it Ted Berrigan is totally real and he has fashioned an important sound for all of us to listen to He put it all together just before everyone else in his time our time got going America is lucky to count him as one of its great poets Peter Gizzi
