Shropshire Parish Register Society

Young John Tyler:

Young John Tyler Katherine T. Ellett,1976-02-01 **Young John Tyler** Katherine Tyler Ellett,1957 *John Tyler* Jane C. Walker,2001 Presents the presidency of John Tyler the first vice president to ascend to the office upon the death of a standing president describing his success in establishing diplomatic relations with China and annexing Texas

Seventy-five Years of White House Gossip Edna Mary Colman,1925 The Vice Presidents Carole Chandler Waldrup,2024-10-14 John Nance Garner once colorfully described the office of vice president of the United States as not worth a pitcher of warm piss and no doubt many of the 45 men elected to it would agree Though it is the second highest elective office in the United States there is but one constitutional duty to preside over the Senate Historically vice presidents have often been relegated to attending state funerals and heading mostly ceremonial committees Unless of course the president dies or resigns they are then thrust into the presidency often with little or no preparation From John Adams to Albert Gore Jr this reference work provides biographies of 45 vice presidents of the United States Despite the fact that many think of the office as a stepping stone to the White House only 14 have actually served as president Outside the public spotlight many vice presidents led fascinating lives and served their country with distinction though little has been written about them The biographies herein focus on their work as vice president their relationship with the president under whom they served and their role in the White house Their lives after the end of their terms are also examined fully A bibliography follows each biography *Presidents* Neil A. Hamilton,2005 Profiles of American presidents are listed in order of election to office Includes personal and professional information timelines of life and unusual facts President without a Party Christopher J. Leahy,2020-05-06 Historians have long viewed President John Tyler as one of the nation s least effective heads of state In *President without a Party* the first full scale biography of Tyler in more than fifty years and the first new academic study of him in eight decades Christopher J Leahy explores the life of the tenth chief executive of the United States Born in the Virginia Tidewater into an elite family sympathetic to the ideals of the American Revolution Tyler like his father worked as an attorney before entering politics Leahy uses a wealth of primary source materials to chart Tyler s early political path from his election to the Virginia legislature in 1811 through his stints as a congressman and senator to his vice presidential nomination on the Whig ticket for the campaign of 1840 When William Henry Harrison died unexpectedly a mere month after assuming the presidency Tyler became the first vice president to become president because of the death of the incumbent Leahy traces Tyler s ascent to the highest office in the land and unpacks the fraught dynamics between Tyler and his fellow Whigs who ultimately banished the beleaguered president from their ranks and stymied his election bid three years later Leahy also examines the president s personal life especially his relationships with his wives and children In the end Leahy suggests politics fulfilled Tyler the most often to the detriment of his family Such was true even after his presidency when Virginians elected him to the Confederate Congress in 1861 and northerners and Unionists branded him a traitor president

The most complete accounting of Tyler's life and career Leahy's biography makes an original contribution to the fields of politics family life and slavery in the antebellum South Moving beyond the standard often shortsighted studies that describe Tyler as simply a defender of the Old South's dominant ideology of states rights and strict construction of the Constitution Leahy offers a nuanced portrayal of a president who favored a middle of the road bipartisan approach to the nation's problems This strategy did not make Tyler popular with either the Whigs or the opposition Democrats while he was in office or with historians and biographers ever since Moreover his most significant achievement as president the annexation of Texas exacerbated sectional tensions and put the United States on the road to civil war

Final Report of the Virginia Commissioners on the Maryland and Virginia Boundary to the Governor of Virginia Virginia. Commission on Boundary Lines (1870-1874),1874

First Fathers Harold I. Gullan,2004-04-01 A compelling introduction to the fathers of America's presidents After so much literature about first ladies and first families here finally is a fascinating book focused on the fathers of our presidents This lively and entertaining account of 44 disparate men reveals how they inspired motivated and influenced sons who ultimately ascended to the presidency They include two who were themselves presidents John Adams and George H W Bush as well as two stepfathers those of Gerald Ford and Bill Clinton First Fathers captures the whole range of the American experience from utter destitution to immense wealth from enormous success to abject failure unified by a common thread the restless ambitious quintessentially American pursuit of happiness Harold I Gullan PhD Philadelphia PA is a distinguished presidential scholar and the author of the highly praised Faith of Our Mothers on the mothers of American presidents and The Upset That Wasn't on the dramatic 1948 election

The Handy Presidents Answer Book David L Hudson,2011-08-01 A complete look at every President's who what when where why and how From George Washington to Barrack Obama and John Adams to Woodrow Wilson The Handy Presidents Answer Book offers a fascinating look at the lives of each U S president along with a large array of factual anecdotal and historic perspectives on the American presidency Early life and career are covered along with important highlights from each presidency The Handy Presidents Answer Book addresses more than 1 600 broad fundamental questions on the presidents vice presidents first ladies administration staff families campaigns and elections major issues wars scandals tragedies and entertaining White House trivia such as What three presidents died on the Fourth of July Which president regularly swam naked in the Potomac River Which president executed criminals What

president was called His Fraudulency because of the controversial way he was elected Which president later became chief justice of the U S Supreme Court Which president was the first to appoint a woman to his cabinet Whose campaign pledge was to bring about a kinder gentler nation The Handy Presidents Answer Book is a must have reference in the truest sense of the word Covering not just the individuals but also the origins of the presidency political parties elections and trivia the book gives depth and context to the office as well as to those who have become president With many photos illustrations and other graphics this tome is richly illustrated and its helpful bibliography and extensive index add to its usefulness **Cradles of Power** Harold I. Gullan,2016-10-04 Why have there been so many books about first ladies and so few about the mothers and fathers of our presidents Many of us for better or worse are shaped by our early life Heads of state are no exception In this compact and compelling narrative of truly popular history Gullan offers insights into the early influences that helped shape our presidents shedding light into a much neglected corner of history How many presidential parents were also their son s best friends How many were an inspiration a source of support a model to emulate How many were just the opposite In Cradles of Power readers will learn the stories of first parents from Augustine and Mary Washington to Barack Obama Sr and Ann Dunham including The heroic Elizabeth Jackson who literally saved her son s life The beloved senior Theodore Roosevelt who seemingly founded and funded every worthwhile charity in New York The handsome and unpredictable Jack Reagan whose drunken blackout one winter night became a pivotal moment for the young Ronald The pious Mother McKinley who wanted her William to become a Methodist bishop The vibrant Rose Fitzgerald Kennedy whose personal tragedies never stopped her from showing unflagging support for her sons campaigns and the domineering Joseph P Kennedy who himself aspired to be our first Catholic president Gullan s reader friendly vignettes are sure to fascinate and entertain but they will also elucidate the formative forces and motivations in the lives of the most powerful men in the nation Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home The Ladies of the White House, Or, In the Home of the Presidents Laura Carter Holloway,1882 Our Presidents Virginia Frances Townsend,1889 University of Virginia Paul Brandon Barringer,James Mercer Garnett,Rosewell Page,1904 Biographical and Historical Record of Kosciusko County, Indiana ,1887 **John Tyler** Betsy Ochester,2003 A biography of the Virginian who became tenth president of the United States upon the death of William Henry Harrison The Collector ,1904

This is likewise one of the factors by obtaining the soft documents of this **Young John Tyler** by online.
