The 30-Day Keto Plan
Aimee Aristotelous, Richard Oliva, 2020-11-03 Kick your sugar habit lose weight and feel amazing in just one month Plus enjoy tactics for success to live your best keto life sustainably after the 30 day mark The ketogenic diet which promotes weight loss from being in the metabolic state of ketosis is one of the most popular and effective diet plans in recent years And it continues to grow in popularity as people across the country are learning more and more about it However there is conflicting research regarding the safety of consuming unlimited amounts of items such as bacon cheese fatty cuts of meats and fried pork rinds A large percentage of Keto dieters find the 70 80 percent fat intake requirement unsustainable and even worrisome due to potential health implications Many people are curious about the Keto lifestyle given the weight loss results they hear about from others but will not attempt the diet as the fat intake requirement sounds daunting The 30 Day Keto Plan provides a detailed system to help readers lose weight and see blood sugar level improvements in just one month With emphasis on the healthiest fats and cleaner ketogenic foods readers will benefit from detailed grocery lists and meal plans macro nutrient charts and categorized fats carbohydrates and proteins which are most beneficial for the healthiest keto plan Nutritionists and authors Aimee and Richard instruct readers on exactly what to eat for four weeks to achieve ketosis weight loss and overall health improvements without requiring exercise In just thirty days readers will learn how to achieve freedom from sugar and the processed food lifestyle and they will kick start their weight loss goals It is very common for keto dieters to see dramatic results only to regress and regain the lost weight once they are no longer following the ketogenic regimen This book provides a formal and sustainable program for the post ketosis stage which will yield positive long term results and assist in maintaining life long health and wellness

Ketogenic Recipes: Plant-Based Plan to Burn Fat, Boost Your Energy, and Calm Inflammation, 2024-05-31 introduction adjective 1 The amalgamation of delicious healthy fats and vegetable meals to optimize your metabolism brain hormones and overall health 2 Switching your metabolism from burning sugar to burning fat that is freedom from food cravings This is the manifesto for a new breed of health seekers and eaters The pages you are reading are for anyone who wants to ditch dieting for good and actually get healthy This book is the new manual to cut through food confusion and find out what to eat and what not to eat to lose weight crush cravings calm inflammation and achieve optimal energy levels We are over trying another unsustainable fad diet only to gain it all back and then some Let s get healthy to lose weight instead of trying to lose weight to get healthy Sustainable weight loss should be a natural by product of regained radiant health These days we have an overwhelming amount of information at our fingertips The double edged sword of Dr Google is that he can both educate us about our health and yet suffocate us with conflicting information on what the heck we should eat an endless vortex of conflicting information Dr Google is one fickle confused guy

So what is the best way to your optimal health Should you focus on high meat diets like the paleo or Atkins ways of eating or will they clog your arteries and make you fat Maybe becoming a vegan or vegetarian is the answer consuming only plant food But will that deprive your body of nutrients like B vitamins and iron and don t those diets focus heavily on soy and grains and isn t that unhealthy Ketogenic will show you the clear path of exactly how to use food as medicine and optimize every system in your body Your brain hormones and metabolism will thrive in the Ketogenic state You may be thinking that s a bold statement but as a leading functional medicine practitioner rated as one of the top in the country I have seen thousands of patients from around the world I have seen what works and what doesn t when it comes to the foods we eat And I ve distilled my years of clinical experience using the power of delicious food medicine in the pages of this book You may have heard of the ketogenic diet This low carbohydrate moderate protein high fat way of eating has taken the wellness world by storm The ketogenic diet promises to shift your metabolism into a fat burning powerhouse allowing you to lose stubborn weight that you may have been holding on to for years The ketogenic diet promises not only weight loss but also a way to improve your brain function and decrease chronic inflammation the root factor to just about every chronic health problem we face today

whether you're someone who plans ahead or on the run. Nutritional information on all recipes. Each recipe comes complete with an inspirational full-page image and loads of tips and information, including a full nutritional panel to help you track your protein, carbs, and fats, and of course, count calories, which are big and bold throughout. Also included with each recipe are at a glance key guides to vegan, vegetarian, and gluten-free recipes, as well as make-ahead options. Your Fast Revolution day: Create your own 800-calorie day or follow our handy plans. Just think of each day in terms of three key building blocks: main meals, whether breakfast, lunch, or dinner, around 500 cal or less; light meals around 250 cal or less; snacks, 125 cal or less. This includes bites and quick snacks that need no preparation or cooking in an Easy Calorie Reckoner. Yes, snacks. They're an essential part of the formula to keep you satisfied and on track with your weight loss goals. That's because The Fast Revolution is all about real life, not denying life's pleasures like beer, wine, and other treats that are so often on the banned list for other diet plans. Whichever the plan and whatever the recipes you choose for that day, it's a given that they will be easy, nutritious, family-friendly, and super tasty. You seriously can't go wrong.
