different social media sites on your laptop Or by doing nothing because you don't really have any time for any morning rituals because you're late for work or school Or you simply woke up late and have nothing to do but sleep again Sounds familiar right You may be a night owl but being a morning person is not so bad According to researchers whatever you do first thing in the morning actually affects the whole day ahead You may be wondering how Let's put it this way you're a writer and you're starting a new book but you find it hard to start writing because you can't seem to make up your mind or better yet you have no springboard In another context you're an entrepreneur and you're starting out on a new venture but then you're having a hard time since you don't have enough resources Just like a good book having an awesome springboard or a successful business having enough resources you too must have an awesome springboard and enough resources so that your day would end up being an awesome one Here are some of the springboards or resources you ought to have Say a Prayer Prayer is the ultimate way for starting your day right When you start and end your day with a prayer you will have a peaceful heart and a peaceful soul Your prayer does not have to be lengthy and full of sugar coated words Just pray to be thankful for another chance in life and to pray for strength to hold on through all the challenges you are currently facing and for all the challenges that are to come Pray with a sincere heart and surely you will be heard Prayer is not asking It is a longing of the soul It is daily admission of one's weakness It is better in prayer to have a heart without words than words without a heart Mahatma Gandhi *Less Is Not Enough* Miriam Meissner,2026-03-19 A fascinating look at the rise of minimalist self help showing how it depoliticizes middle class frustrations with capitalist exploitation and proposes a cultural strategy to channel minimalist desires into a more radical postgrowth politics **Less** Rachel Aust,2018-06-12 Simplify life and amplify living with influencer Rachel Aust's visual guide to mastering the minimalist lifestyle Declutter and reorganize Living with less contributes to a greater sense of fulfillment contentment and a more meaningful life The minimalist lifestyle focusing on scaling back your possessions and simplifying your life to just the essentials helps you to achieve peace and purpose Indulgences and excess often lead to discontentment and depression but adopt minimal living and you'll find that less is more More time because you don't waste it caring for and organizing stuff More space because you don't fill it with objects of marginal value More money because you don't spend it on unnecessary things More clarity because your mind isn't bogged down by the clutter around you More joy because your energy is spent on experiences and connections Using decision trees flow charts icons and other graphics Less shows how minimalism can be applied to any area of life including home wardrobe decor cooking cleaning finances and time Rachel Aust shows you that minimalism can be adapted to suit your own goals to help you achieve the joy of less **7 Days to Minimalist Living** Elizabeth N. Doyd,2014-08-10 The Most Practical Modern Guide to Living a Minimalist Lifestyle in 7 Days Is your house overflowing with stuff that you don't use or need Clutter can Overwhelm the senses Consume space Drain energy from our surroundings Cause stress and anxiety This book will show you how to lighten up so you can walk into your home and be surrounded only by the things you love Living in a minimalistic way

means clearing the clutter from your life to focus on what's truly important. Chances are 75% of the things in your home are no benefit to your life at all. You'll also find that throwing out a few garbage bags feels even better than therapy. Why do you hold onto things? Here are just some of the reasons: Security but the paradox is that the more we cling the more frustrated and overwhelmed we feel. Addiction shopping is a high and the novelty wears off. Approval keeping material representations of who we are is one way we show off. Identity we identify with what we own so that's why we're upset when something is stolen or broken. Obligation to others we please others by keeping gifts and inherited things we don't really like or need. By letting go of possessions that no longer serves us we can let go of old beliefs. Open ourselves up to new opportunities and relationships. See your home your life for what they really are. Need less and do more. Cultivate meaningful relationships. Be more in tune with yourself in a meditative space. Stop shopping as a form of therapy. Stop wasting money. Restore clarity. FIND WHAT YOU REALLY VALUE. When you have inner clutter it expands to your environment. So when you live in a clean and soothing environment it can only benefit your inner life. Don't let the word minimalism scare you. Minimalistic living is not about getting rid of modern advancements and living in the stone age. It's only about keeping things that are useful meaningful and add value to your life. While it does not place importance on material things and lavish living minimalism is also not about denying yourself of the things you need. The guide is divided by different rooms and topics to make it easy and practical to refer to: Entryway Kitchen Living Room Bathroom Bedroom Children's Rooms Teen Rooms Garage Basement Attic Garden Office Computer Technology Closets Mail Sentimental Objects Photos Cards Letters Music People. This book also helps you Recognize Clutter Declutter clean organize your home room by room. Sell your things for profit. Shop for a minimalist wardrobe. Get your family on board. Declutter digital content and computer files. Go car free or car lite. Surround yourself with people who add value to your life. Maintain your space once you've minimalized. Living with less is the first step to a peaceful mind. It makes space for the new to come in. Buy the book put it into practice and welcome positive change into your life now.

Minimalist Living Nicholas Morris, 2017-08-18. Are you searching for a more fulfilling life? Are you struggling to find meaning in your everyday life? Are you stressed by the clutter of your living space and feel like your mind is cluttered as a result? If so, *Minimalist Living* by Nicholas Morris is THE book for you. It covers all you need to know about how to start living a minimalist lifestyle. Minimalist living is all about being content and satisfied with what you have rather than pursuing desperately after what you want. According to a statistic reported in the LA Times, each American family has on average 300,000 items in their home. Many of these items we forget about underneath piles of other objects. The Wall Street Journal reports that Americans spend 1.2 trillion a year on non-essential items. This causes a great deal of clutter in our homes and in our minds as we lose almost 200,000 items in our lifetimes on average. How can we start to control this growing problem and keep our minds, homes, and lives free of clutter? Minimalist living is the answer that will bring meaning back into a life that has been based on material accumulation. What separates this book from the rest? Most other books are theoretical in nature and teach you the history and theory behind minimalist living. This book teaches you those things along with everyday applications and questions to help you put what you learn into action. You will learn truly useful tips in no time on how to minimize your home, your clutter, and your life to find deeper meaning in relationships and experiences rather than the superficial meaning that comes from material wealth. This book will help you hold your money and your possessions loosely so that you can take joy in the more profound aspects of life. You will learn the following: History of Minimalism, Reasons for Living a Minimalist Lifestyle, How to Declutter Your Home, How to Minimize Your Home, Why You Should Live Frugally, The Reasons Why We Overspend, How and Why to Single Task Instead of Multi-Tasking, The Changes That Minimalist Living Will Bring to Your Mindset, and much more. So don't delay it any longer. Take this opportunity and invest in this guide now. You will be amazed by how your life can change for the better in just this short read. Your fight for meaning in your life is just beginning. A sense of value apart from material things awaits you.
