Culture-Led Brands Leila

Fataar, 2025-06-03 In a world of relentless change and pervasive uncertainty brands can only thrive if they become adept at reading and responding to cultural currents and signals Today cultural relevance is not just a marketing output but a foundational element of successful contemporary business strategy Brands no longer operate in a vacuum instead they are active participants in a global dialogue impacting culture and communities both geographical and through fandoms This book equips leaders with the tools to navigate this rapidly evolving business landscape embracing uncertainty and harnessing cultural relevance to drive growth Covering everything from marketing to commerce innovation and creativity political sensitivity and technology transformations all the way to diversity and inclusion environmental consciousness and how to credibly leverage the influence of cultural voices this book enables you to build a culture led growth strategy and create a resilient brand With real world examples from brands like adidas Originals Guinness and YouTube this book provides a practical framework for embedding cultural relevance throughout your entire brand It encourages leaders to rethink not just their external messaging but their internal values and operations to create a culture led branding and business strategy that is adaptive authentic and accountable

Considering Deweyan Cultural Naturalism as a Philosophy of Art(s) Education

Lauri Väkevä, 2023-08-21 This book makes a case for cultural naturalism as a basis for a philosophy of art education It argues for a holistic approach that avoids hard boundaries between artistic disciplines in the educational context applying cultural naturalism to challenges that are topical for the whole art s education field including challenges related to ecology social justice and technological transformation of culture The book is written in the form of a conditional argument that considers the consequences of cultural naturalism for today s philosophical problem solving in art s education It contains a systematic and historical analysis of cultural naturalism that support the philosophical reflection of educators and other scholars operative in this field The result is a late modern reading of Deweyan cultural naturalism that highlights the continuance of key philosophical ideas from the modern to present discourses The key topics discussed are of particular interest to present day art s educators ecological sustainability social justice and technological transformation of culture In addition this book provides an example of pragmatist argumentation suggesting an alternative to analytical and post philosophical approaches
