# Teaching Adults With Learning Disabilities

**C. Amelia Davis, Joann S. Olson**

## **Teaching Adults With Learning Disabilities:**

Teaching Adults with Learning Disabilities, 1998

**Teaching Adults with Learning Disabilities** Dale R. Jordan, 1996

This series edited by Michael W Galbraith explores issues and concerns of practitioners who work in the broad range of settings in adult and continuing education and human resource development These books provide information and strategies on how to make practice more effective for professionals and those they serve They are written from a practical viewpoint and provide a forum for instructors administrators policy makers counselors trainers managers program and organizational developers instructional designers and other related professionals This book is designed to teach literacy providers and classroom instructors how to recognize specific learning disability LD patterns that block reading spelling writing and arithmetic skills in students of all ages One of the major problems faced by literacy providers is keeping low skill adults involved in basic education programs long enough to increase their literacy skills to the level of success This book will show instructors at all levels and especially instructors in adult education how to modify teaching strategies and curriculum to accommodate the special needs of LD learners

Teaching Adults with Learning Disabilities Lori Hollander, Mary Palamar, University of the State of New York. Division of Adult & Continuing Education, 1990

**Teaching Learning Strategies to Adolescents and Adults with Learning Disabilities** B. Keith Lenz, Edwin Ellis, David Scanlon, 1996

Learning Together : a Handbook for Teaching Adults with Learning Disabilities British Columbia. Ministry of Advanced Education and Job Training, British Columbia. Ministry of Education, Malaspina College, 1987

*Living with a Learning Disability* Barbara Cordoni, 1990 The author looks at life after school gets out The book presents the kinds of adaptations needed for educating communicating with and parenting the child the adolescent and the young adult with learning disabilities Foreword p ix

**Learning Together : a Handbook for Teaching Adults with Learning Disabilities** British Columbia. Ministry of Education. Post-secondary Department, Malaspina College, 1985

**Whatever Works** Susan Noyes Spear, Lesley University. School of Education, 2011 Research indicates that significant numbers of adult learners who attend adult basic education ABE programs have learning difficulties and or learning disabilities However most ABE teachers have not been trained to teach students with these complex learning needs This qualitative study conducted through an interpretivist constructivist lens used in depth individual interviews to garner the voices and experiences of ten ABE teachers as they described how they identify and manage the learning needs of their students Results showed that ABE teachers described their practice in terms of how they identified their students learning difficulties their perceptions of their identity and role as an ABE teacher the practical teaching methods they used and ABE system issues that affected their teaching practice Recommendations to promote effective teaching and learning in ABE programs included improving training and professional development for ABE teachers and providing additional resources to support students with learning difficulties in ABE programs Abstract

**Teaching Adult Literacy: A Teacher Education Handbook** Hughes, Nora, Schwab,

Irene,2010-02-01 Offers guidance on how to work with adult learners to develop literacy skills and includes case studies of real student experiences and practical suggestions for teaching planning and assessment EBOOK: Teaching Adult Literacy: A Teacher Education Handbook Nora Hughes,Irene Schwab,2010-02-16 Are you teaching or training to teach literacy to adult learners Do you want to update and deepen your practice Yes Then this is the essential book for you In this book the authors offer friendly guidance on how to work with adult learners to develop their literacy skills and practices They challenge the negative view of adult literacy learners as social problems often described in terms of their deficits They promote an alternative view of people who have rich resources and skills in many areas of their lives which they can bring to the learning process The contributing authors have a wealth of experience as practitioners and researchers in the field They pull together a wide range of current theory and research on adult literacy offering new perspectives on theory and applications to everyday practice Key features include Case studies of real student experiences Samples of learners writing with commentary and analysis Application of linguistic theory to literacy teaching Practical suggestions for teaching planning and assessment Guidance on supporting learners with dyslexia and global learning difficulties Reflective tasks encouraging readers to develop and apply their knowledge This book is an invaluable resource for trainee teachers studying on literacy specialist courses leading to teaching qualifications as well as for experienced practitioners wishing to update and deepen their practice Learning Disabilities, Literacy, and Adult Education Susan Ann Vogel,Stephen M. Reder,1998 In this book experts in the fields of LD and adult literacy describe the characteristics demographics education and employment status of adults with severe learning disabilities and discuss the laws that protect them in the workplace and in educational settings Sample forms checklists resource lists and examples from staff preparation programs are included **The Annual Review of Adult Learning and Literacy, Volume 3** John Comings,Barbara Garner,Cristine Smith,2002-01-24 This unique publication is written for practitioners in the field of adult learning and literacy This third volume in the series from the National Center for the Study of Adult Learning and Literacy NCSALL This is a collection of the best new knowledge and practice in the field and includes an introduction by the editors and six articles by distinguished writers and practitioners as well as reviews of the best books and key journal articles published in the past year Complete Learning Disabilities Directory 2010 Laura Mars-Proietti,Richard Gottlieb,2009 This is the most comprehensive directory of Programs Services Curriculum Materials Professional Meetings Resources Camps Newsletters and Support Groups for teachers students and families concerned with learning disabilities This edition is distinguished by its recognition by the National Center for Learning Disabilities as well as a Glossary of Terms This information packed directory includes information about Associations Organizations Schools Colleges Testing Materials Government Agencies Legal Resources and much more For quick easy access to information this directory contains three indexes Entry Name Index Subject Index and Geographic Index With every passing year the field of learning disabilities attracts more attention and the network of caring committed and

knowledgeable professionals grows every day This directory is an invaluable research tool for these parents students and professionals **The Complete Learning Disabilities Directory** Grey House Publishing,2007-09 *What about Me?* Christopher M. Lee,Rosemary F. Jackson,2001 With *Faking It* Christopher Lee and Rosemary Jackson offered a moving account of Lee s struggle and ultimate triumph over dyslexia Now Lee combines his special insight with Jackson s expertise as a special education trainer to offer specific help to teachers and parents of other misunderstood learners **Resources in Education** ,1997 *Integration for Adults with Learning Difficulties* Jeannie Sutcliffe,1992 This guide for practitioners has the following aims to outline the debate about integrated learning for adults with learning difficulties in continuing education programs to provide examples of integration in action drawn from a range of settings in continuing education in England and Wales and to encourage practitioners to develop similar programs Chapter 1 outlines the arguments for and against integration Chapter 2 lists barriers to integration Chapters 3 9 describe sample programs including the following 1 one that links five colleges Bournville Gateshead Langley Wrexham and Chippenham Colleges 2 two that pair adults with learning difficulties with volunteer regular adult continuing education students with similar interests 3 the Studylink Project in Liverpool which mainstreams adults with profound learning difficulties into regular vocational classes providing one to one support where needed 4 a program in Lowestoft made possible by collaboration between the social services department and a college 5 the summer school for adult learners at Lancaster University and 6 a program in Sheffield that provides transportation or the cost of it to students with learning difficulties Chapter 10 recommends action practitioners can take to promote integration and includes a student questionnaire for evaluating an integration program Chapter 11 consists of a checklist to help practitioners reflect on the quality of integration available in their areas The document concludes with a list of nine print references three journals and the names and addresses of seven organizations CML **Meeting the Transitional Needs of Young Adult Learners** C. Amelia Davis,Joann S. Olson,2014-09-11 This is the first New Directions volume related to young adult learners since 1984 Then as now young adults are an important segment of the adult population but have received scant attention in the adult education literature Increasingly youths and young adults are enrolling in adult education programs and in doing so are changing the meaning of adulthood Given the significant demographic technological and cultural shifts during the past 30 years there is an increasing need for practitioners and program planners to reconsider what constitutes adult and adult education An understanding of the changing meaning of adulthood is fundamental to developing programs and policies that will address the needs of younger learners and we believe it is time for an updated discussion among adult educators and scholars in other disciplines This sourcebook is designed to reignite the discussion related to meeting the educational needs of young adults along with a timely and interdisciplinary discussion that highlights the transitional needs of young adult learners This is the 143rd volume of the Jossey Bass series New Directions for Adult and Continuing Education Noted for its depth of coverage it explores issues of common interest to

instructors administrators counselors and policymakers in a broad range of education settings such as colleges and universities extension programs businesses libraries and museums
