Marketing Technical Ideas and Products Successfully! Lois K. Moore, Daniel L. Plung, 1985 **Marketing the Technical Product** Eric N. Simons, 1924 *Technical Communication Strategies in Marketing* Laura Howard, 2011 Writers trained in technical communication may now find themselves working in positions that are far more commercial than technical and they must learn to use their skills in different ways to sell a product or service The transition might initially

seem challenging but technical writers are trained to reach a target audience through various methods including audience assessment and usability testing This ability to connect with a target audience is essential for writers working in a marketing role I demonstrate in this report how I used my education as a technical writer to successfully reach a commercial audience during my internship with DNA Diagnostics Center first through a detailed explanation of the rhetorical decisions behind the redesign of a commercial website and then through a discussion of how I determined the needs of my audience to ensure an accessible final product
