Watkins,2001-01-01 Poet novelist author of the Seth Material Jane Roberts s books have sold over 7 5 million copies She was one of the most important psychics of the twentieth century Now *Speaking of Jane Roberts* reveals a woman as fascinating as the material she produced Susan Watkins and Jane Roberts were friends for sixteen years Early on Seth the entity who spoke through Roberts told the two women that they were counterparts connected in this particular lifetime to work out some shared personal issues In addition to being a compassionate and sometimes painfully honest look at Roberts s life her difficult childhood her constant questioning of psychic abilities and sources of creativity her resistance to Seth s advice her dramatic struggles with her health *Speaking of Jane Roberts* is also a beautiful and applicable illustration of the counterpart relationship The connection that Watkins and Roberts shared reveals something important about the power and mystery of the connections we all share with the people closest to us Watkins also offers original insights into the phenomenon of channeling

**Living a Safe Universe, Vol. 3** Lynda Madden Dahl,2014-06-06 Lynda Madden Dahl In *Living a Safe Universe* Vols 1 and 2 predecessors to this my seventh of eight Seth Jane Roberts based book I talk about my journey into trust and safety via a specifically identified path of Sethian knowledge and an in depth use of the moment point within simultaneous time Here we ll broaden our knowledge of the safe universe even further with the introduction of Framework 2 and the greater reality from which all other frameworks spring With this further knowledge we ll see more clearly our role and participation in the safe universe and what it means to both our private creations as well as those shared with others And most importantly we will sense with even deeper understanding our intrinsic safety as an inviolate portion of All That Is leading us to a freedom of thought and action unparalleled in today s world

BOOK REVIEWS BY SETH READERS

Lynda s three volumes of *Living a Safe Universe* are a true tour de force through the Seth concepts and offer even the long time Seth reader a new perspective on the material and a great motivation to finally shift from a theoretical to a practical level of understanding The selected Seth quotes and Lynda s comments present a captivating mix that not only lead deeper into Seth s philosophy but trigger a comprehension that is a prerequisite for a successful implementation of Seth s ideas into one s life Lynda herself is a great teacher and true ambassadress for the Seth Material Maurizio Vogrig Co Founder of Seth Verlag the Swiss Seth Publishing House Board Member of the Swiss Former Seth Network International Editor of the Magazine *Reality Change* The Global Seth Journal The Seth Material is the most comprehensive detailed and awe inspiring overview of reality available and Lynda is far and away the leading scholar lecturer and interpreter of the material In this third book of her *Living a Safe Universe* series she takes us behind the logic of creation to reveal how it all comes together and how we can apply this knowledge to stop creating out of fear and instead live in a safe loving and supportive universe All Seth readers owe Lynda a huge debt of gratitude for this timely and profound insight into the Seth Material Ian French Poet

Musician and Practicing Idealist Lynda has once again demonstrated that she has masterfully grasped the complexities of the Seth Material In Living a Safe Universe Vol 3 she has organized and presented the information into a concise and readily understandable and useable format She makes a difficult job seem easy I thoroughly enjoyed having my mind boggled and my world view once again expanded by reading it Bob Terrio Video Producer Director of The Seth Phenomena SethNet 97 and Other Seth Video Programs **The System of Antichrist** Charles Upton,2005 The System of Antichrist examines the present religious and cultural scene from the standpoint of traditional metaphysics and critiques the New Age spiritualities within their postmodern context Its many references to Rene Guenon and Frithjof Schuon also help introduce these important but little known traditionalist thinkers The book presents lore relating to the latter days of the present cycle from the vantage point of comparative religion drawing upon relevant doctrines from Buddhism Hinduism Judaism Christianity Islam Zoroastrianism and the Native American traditions It also speculates upon the social psychic and spiritual nature of that being known to Christianity Judaism and Islam as the Antichrist presenting him as both an individual and a system and warning those willing to be warned against the spiritual seduction and terror he represents and against the regime which will be and is the social expression of that seduction and that terror Finally in tracing the roots of Antichrist in the fallen nature of man the author sketches the particular quality of spirituality proper to apocalyptic times the dangers it faces the unique opportunities open to it And along the way he describes his own course from the spiritual revolution of the 1960s through the world of New Age spiritualities to the threshold of traditional esoterism and metaphysics As he says speaking of the angst that characterizes the modern world The specific medicine for the shock of despair is the deeper shock of meaning Nothing but the weight of eternity breaking through the thin brittle shell of the postmodern sky can set us on our feet
