[Red on the River](#) Christine Feehan, 2023-06-27. 1. New York Times bestselling author Christine Feehan goes all in with this sexy romantic thriller set among the dangers, both man-made and natural, of Nevada's breathtaking landscape. Vienna Mortenson isn't your typical gambler. She prefers to stay under the radar, using her poker winnings to support her family and her community, including the local search and rescue team, which she heads up. Out in the backcountry, there's no time for hesitation when lives are on the line. Vienna prides herself on being tough and decisive. She's not the sort to make a fool of herself over a guy, especially one who left her high and dry without a backward glance. Zale Vizzini's job constantly puts him in harm's way. Working undercover and disappearing for months at a time isn't exactly a recipe for a stable relationship. Despite the challenges and the risks, Zale wants something real with Vienna. He just needed time to figure out how to be in her life without putting her in danger. Now he's determined to win her back, and he's ready to lay all his cards on the table. As their friends' wedding approaches, Zale takes advantage of the festivities to make a play for Vienna's heart. But there are more deadly forces waiting to strike in the rugged terrain of Nevada and the western Sierras. Soon, both of their lives are threatened, and the odds are stacked against them.
