The Professional Poker Dealer's Handbook Dan Paymar, Donna Harris, Mason Malmuth, 2009-11 Recognizes that the poker industry has recently grown at a phenomenal rate It wasn't that long ago that only a few places had small poker rooms But times have changed Today there are many locations throughout the country that offer poker including several giant poker facilities This explosive growth has created a need for quality dealers which is immediately apparent to anyone who either plays poker or works in the industry Dealing poker is an occupation that looks easy when performed by a top quality dealer In fact the best dealers not only perform their job in a seemingly effortless manner they enjoy what they are doing We hope that this text will establish a standard for the industry It will assure that poker continues to grow and prosper It is the ultimate book for anyone interested in a career as a professional poker dealer The Massachusetts register ,1987-08-07
