The Jackrabbit Factor Why You Can:

The Jackrabbit Factor Leslie Householder, 2005-09 Richard is at the end of his financial rope and disappears into the woods behind his home Where has he gone and what is required of Felicity before she can find him Unlock with Richard the secret behind the voice of inspiration and find out for yourself how truly dependable and ingenious your own inner voice can be

Hidden Treasures Leslie Householder, 2005-06 Casual and conversational Hidden Treasures presents the Universal Laws of Abundance from a spiritual perspective These ideas are astonishing and you ll feel empowered as they comfort encourage and enlighten you on your journey to financial deliverance even prosperity While the author learned these principles in a secular arena through more than a decade of study and successful application she now hopes to bring the principles to God fearing people everywhere How often have we been promised Ask and ye shall receive The problem is we don t really believe it Why Because so often it just doesn t happen So how does one develop the kind of faith required to see miracles in his her financial life There is a law irrevocably decreed in heaven before the foundations of this world upon which all blessings are predicated and when we obtain any blessing from God it is by obedience to that law upon which it is predicated Doctrine and Covenants 130 20 21 So if you ve ever wondered If the righteous shall prosper why am I so broke or Do I set my heart upon riches or just resign myself to the smothering prison of debt and the stain of poor credit then this book is for you The answers to these questions and many more are the very answers which led Leslie and her husband to finally escape their own financial bondage AND develop a closer relationship with God through the process While the author is a member of the Church of Jesus Christ of Latter day Saints the ideas and applications of scriptures are solely her own and do not necessarily represent the beliefs or doctrines of any particular denomination In a compelling way she brings hope to individuals in strained relationships mothers who want to come home from work and fathers who want to spend more time with their family Hidden Treasures brilliantly delivers a profound message of hope for all who believe there is a God

Trust Your Intuition JENNI WILSON, M.H., 2013-06-10 Have you ever wondered if there are effective alternatives to conventional medicine or if anyone else you trust uses natural medicine Many people are turning to more natural and holistic remedies and therapies either because conventional medicine is not working for them or they want to stop putting chemical medications into their bodies There is a huge amount of scientific research and evidence supporting natural forms of medicine But sometimes the use of natural remedies is hard to quantify Sometimes one size doesn t fit all and we have to trust out own intuition for what our own body or our family members need The more we educate ourselves about natural alternatives the more effectively our intuition can direct us to what will help Inside this book are 25 Natural Medicine Confessions from women and moms each with many online followers who tell their stories about why they choose natural medicine for healing and resolving illnesses Their knowledge and experience can serve as inspiration for us all to be more empowered in our own home medicine and health care

Tapp,2009-08 Come along for the ride on Eldon and Penny s crazy journey as they go from child rearing experts in their early 20 s as newlyweds to being ready for the insane asylum 8 kids later in their 40 s Why won t one set of rules work for the whole family What do you mean Mars and Venus I think some of us are from different GALAXIES It actually wasn t that bad but it sure wasn t harmonious either Then along comes my business and the constant Leadership Development Training All of a sudden we started seeing the parallels and applications to our family Join us for an enjoyable and entertaining discussion on how understanding these principles has changed our family and could do the same for yours How often have we joked about wishing they would have given us an Owner s Manual when we got married Or why aren t we required to pass a Marriage and Parenting course before we can get a marriage license Don t babies come with an instruction book THAT MAKES SENSE is all about what I wish we could have been taught 25 years ago as we were getting our start in the family building game It could have saved us a lot of grief if we had just known some simple principles that would help us understand ourselves each other and the kids The principles of family relationships and how to build your family on a strong and safe foundation are sometimes some of the most elusive concepts to find Why do we always seem to choose a spouse who is our opposite Why does the same set of strategies never seem to work with any two of our kids How can X number of kids all raised in the same environment turn out so vastly different Sometimes it makes you doubt the science of genetics There are answers Sometimes they come from the most unlikely places too Who would have thought that there would be so much overlap between business building and family building Not me certainly But here it is What I wish my parents would have taught me about family building THAT MAKES SENSE Finally What Leadership Training Taught Me About Family Relationships The Principles of Family Building 101
