John Williams

The James Miracle:

The James Miracle Jason F. Wright, 2004 Sam and Holly Foster seemed to enjoy near perfect lives Each claimed a successful career and a legacy of goals set and achieved Held above their possessions and accomplishments was their only child James He was the son they promised to raise together and the reason they came home each night But when a series of events jolts the Fosters from their comfortable routines Sam and Holly find the foundation of their family tested beyond anything they ever dreamed **The James Miracle** Jason F. Wright, 2014 Sam and Holly Foster and their young son James seem to have a perfect life until Sam loses his job and James has a life threatening accident Hopelessness and constant caring for James takes their toll on Sam and Holly and they begin to drift apart It takes the miracle of the rediscovery of James s toy boat and the appearance of a mysterious man to remind them of what is important in life and that love and heaven are not far away ***The Cults of Sainte Foy and the Cultural Work of Saints*** Kathleen Ashley, 2021-06-28 Bringing together artifacts texts and practices within an interpretive framework that stresses the cultural work performed by saints Kathleen Ashley presents a comparative study of the cults of the medieval Sainte Foy at a number of the sites where she was especially venerated This book analyzes how each cult site produced the saint it needed appropriating or creating whatever was required to that end Ashley s approach is thoroughly interdisciplinary incorporating visual religious medieval and women s and gender studies as well as literary studies and social history She uses the theoretical framework of cultural work to analyze how the cult of Sainte Foy was sponsored and received by specific groups in different locales in Europe The book is comprehensive in terms of historical as well as geographical range tracing the history of the cult from the early Middle Ages into the present day It also includes historiographical analysis examining the way the cults of Sainte Foy have been represented in various historical accounts Ashley s narrative challenges the boundary between elite and popular culture and complicates the traditional vernacular vs Latin language binary A chief aim of the study is to show how art objects always operated in conjunction with other cultural texts to construct a saint s cult The volume is heavily illustrated showing artifacts such as stained glass windows and wall paintings which are not readily available from any other source This book will be of special interest to scholars in art history medieval history gender studies and religion **The Black Military Academy on the James River** Robert A. Walker, Jr., 2024-07-31 Walker covers a tremendous amount of historical and personal territory in this tribute to this unique aspect of Virginia history Although the narrative jumps around Walker s passion is obvious and the autobiographical sections of the book never trump close attention to historical detail Although self published this is a book that would behoove Virginians to read closely and claim proudly as their own Valley Haggard Style Weekly **Codex Calixtinus** John Williams, 1992 ... **The Kentucky Land Grants** Willard Rouse Jillson, 1925 **Ten Primitives in the James E.
