The Jazz Life:

Jazz Life Nat Hentoff, 1962 *Living the Jazz Life* W. Royal Stokes, 2002 In some forty interviews with saxophonists pianists singers composers and string brass and rhythm players Stokes illuminates the lives of the artists and the sheer pleasure of the sounds they create Stokes paints a vivid portrait of jazz musicians that range across the globe Introductions to vaudeville stars blues musicians and women instrumentalists Covers a broad spectrum including conversations with legendary veterans like Jackie McLean and Louie Bellson to such rising stars as Diana Krall Cyrus Chestnut Ingrid Jensen and violinist Regina Carter Derived from book cover *Jazzlife* William Claxton, Joachim E. Berendt, 2008-03 In 1960 photographer William Claxton and noted German musicologist Joachim Berendt traveled the United States hot on the trail of jazz music The result of their collaboration was an amazing collection of photographs and recordings of legendary artists as well as unknown street musicians The book *Jazzlife* the original fruit of their labors has become a collector's item that is highly treasured among jazz and photography fans In 2003 TASCHEN began reassembling this important collection of material along with many never before seen color images from those trips They are brought together in this updated volume which includes a foreword by Claxton tracing his travels with Berendt and his love affair with jazz music in general Utilizing the benefits of today's digital technology a restored audio CD from Joachim Berendt's original recordings has been produced and is included in this package Jazz fans will be delighted to be able to take a jazz trip through time both seeing and hearing the music as Claxton and Berendt originally experienced it Featuring photographs of Charlie Parker Count Basie Duke Ellington Muddy Waters Gabor Szabo Dave Brubeck Stan Getz Billie Holiday Ella Fitzgerald Miles Davis Charlie Mingus Thelonious Monk John Coltrane and many more Includes bonus CD of digitally remastered recordings of music made during Berendt and Claxton's journey originally released in 1960 as two records **The Jazz Life of Dr. Billy Taylor** Billy Taylor, Teresa L. Reed, 2013-04-18 Billy Taylor is not only the life story of a jazz musician and spokesman but a commentary on racism and jazz as a social force *Off the Books* Peter Leitch, 2013 Many jazz lives are marginal as jazz guitarist Peter Leitch attests in his honest memoir This is the story of a life lived in search of excellence in music and art but also a life lived battling depression alienation and narcotics addiction This book refers to life outside of conventional 9 to 5 society and Leitch vividly relates what it was like trying to make a living playing in jazz clubs nightclubs and studios He tells of growing up in an English speaking family in Montreal's working class and predominantly French speaking East End refinery district discovering jazz on CBC radio and learning to play it outside of the academy His first gigs were in Montreal during the 1960s moving to Toronto in the late 1970s and then to New York in 1982 which comprises the largest section of the book chronicling the inner workings of the jazz business Page 4 of cover *The Jazz Life* Nat Hentoff, 1975 *Life's Pages* Hugh Whitney, 1923 *They Both Reached for the Gun* Charles H. Cosgrove, 2024-06-07 Honorable Mention 2025 Society of Midland Authors Award in History Examining the case that inspired a pop culture phenomenon In 1924 Beulah Annan was

arrested and incarcerated for killing her lover Harry Kalsted Six weeks later a jury acquitted her of murder Inspired by the sordid event trial and acquittal Maurine Watkins a reporter at the time wrote the play *Chicago* a Broadway hit that was adapted several times Through a fresh retelling of the story of Annan and of Watkins s play Charles H Cosgrove provides the first critical examination of the criminal case and an initial exploration of the era s social assumptions that made the message of the play so plausible in its own time His careful historical research challenges the received portrait of Annan as a killer who got away with murder and of Watkins as a savvy cub reporter and precocious playwright In *They Both Reached for the Gun* Charles H Cosgrove expertly combines inquest and police records and interviews with Annan s relatives to analyze the participants the trial and the subsequent play Although no one will ever know what really happened in the Kenwood apartment on Chicago s south side one hundred years ago Cosgrove s interrogation shows how sensationalized Watkins s writing was Her reporting on the Annan case perpetuated falsehoods about Annan s so called confession and her play gave an inaccurate portrayal of Chicago s criminal justice system Despite Watkins s insistence that her drama revealed the truth about its subjects without any exaggeration her play depicted police prosecutors and judges as the only good guys in the story ignoring those who lied misled and used brutal methods to obtain forced confessions *Under the Grandstand* Jim Lyons,2013-02-06 Those who have lived not just witnessed the efflorescence of a pivotal culture moment never see the world through veiled eyes again Jimmy Lyons was there devising wholly original inventions of words and music while the Beats the neo folk troubadours the post bop jazz shooting stars and the tie dyed psychedelic rockers were scorching through the underbrush and opening new paths of creativity as alternatives to the increasingly bottom line driven mainstream Lyons though wasn't content to find a niche in one countercultural movement or another He kept moving observing and writing new poems stories and songs But he never gave up on the wry sophistication of the classic American popular song Indeed he has dedicated himself to infusing the same hallowed forms perfected by Irving Berlin George and Ira Gershwin Cole Porter Harold Arlen and others with his singular fantasias of ingeniously colored and textured wordplay These plays have a subtext only Lyons can provide derived from what he calls the rituals of the road and the the circular rhythms of the race track the beats and pulses of everyday American life that rarely raise a ripple on the surface of American culture Lyons hears the screams and dreams of his countrymen and woman from them he creates new modes of expression He has been changed by each of his open hearted an open eared encounters and this body of work is his way of making those changes sing and swing
