American Legends Charles River Charles River Editors,2018-03-11 Includes several letters written by Abigail Adams John Adams and Thomas Jefferson Includes pictures of Adams and important people places and events in his life Includes a Bibliography for further reading A Constitution of Government once changed from Freedom can never be restored Liberty once lost is lost forever John Adams A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known John Adams has become one of the more popular presidents in history relatively recently but it was not always so For most of his life he was seen as a bit of an outsider different from his fellow first presidents in his temperament birth life and politics Adams and his son were the only presidents out of the first seven who were born north of the Mason Dixon line and he was not an easy man to understand or work with Not only did he have few friends but he also often fell into long term quarrels with those he had Politically Adams shared Washington s preference for Britain as well as his preference of non interference However while he was certainly the more significant man in his work and his governing he could never seem to move out of Washington s shadow Even worse his presidency was seen as threatening to the very essence of American liberty with the Alien and Sedition Acts and his loss to Jefferson in 1800 was a repudiation of the Federalists that left Jeffersonians in power until John Quincy Adams was elected in 1824 His presidency is still viewed relatively unfavorably Adams remained a celebrated figure in Boston for all the work he did in Massachusetts before and after the Revolution but his national reputation has experienced quite a renaissance over the past decade beginning with David McCullough s best selling biography in 2001 followed in 2008 by the popular HBO series based on it Then in 2010 Dearest Friend a record of the correspondence between Adams and his wife Abigail solidified his position as one of the most darling Founding Fathers of the 21st Century Several factors explain the recent boost to his legacy First unlike Washington or Jefferson Adams was not a cultural icon Therefore Americans have had more to learn about his life and work whereas recent historical findings about men like Jefferson are either anti climatic or disappointing Moreover Adams and his son are the only two of the first 10 presidents not to have owned slaves making it easier and more politically correct to like them Finally the extensive letters that passed between him and Abigail have cast him as a romantic figure in a way that few other presidents enjoy American Legends The Life of John Adams chronicles the amazing life and work of one of America s Founding Fathers but it humanizes the man who could be both mercurial and tender Along with pictures of important people places and events in her life you will learn about John Adams like you never have before in no time at all

John Adams Jack Johnson,2016-03-02 John Adams Revealing Relationships of a Founding Father John Adams didn t cut a dashing figure like George Washington He was not the darling of France as was Benjamin Franklin He was not a wealthy and

statuesque plantation owner like Thomas Jefferson Adams was highly opinionated blunt and often tactless in his social interactions To top it off he was short fat and awkward This does not sound like the description of a Founding Father we should want to know any better but that s where you re wrong Adams perhaps more than any other Founding Father was a driving force that pushed America to declare its independence from Britain It was Adams who supplied the raw ideas of what a new government should look like He always represented the larger public good in all of his public service even when buffeted by the forces of antagonistic party politics during his tenure as the second President of the United States The details and legacy of his life s work are best viewed through the lens of his relationships to people places and ideas In John Adams Revealing Relationships of a Founding Father you ll learn how Adams was frustrated with France jostled by Jefferson aided by Abigail flummoxed by Franklin masterminded his son s success in politics with Monroe and was often perplexed by politics

The Works of John Adams, Second President of the United States John Adams,1854 **Before John Adams Was President** M. H. Seeley,2017-12-15 Readers might think they might have heard everything there is to know about the American Revolution but each Founding Father has a unique story worth telling Before John Adams became America s second president for example he often skipped school to hunt and fish This book gives readers an inside look at life before the presidency which of course included creating the nation he became president of later From his early days north of Boston to his time as a lawyer readers explore the inner life of the man who took office after George Washington and solidified the presidency **John Adams** John P. Diggins,2003-06-11 Publisher Description **The Revolutionary John Adams** ,2006-01-10 A biography of John Adams with emphasis on his role in the American Revolution *John Adams* John Adams,1973 Part one and two *The Education of John Adams* Richard B. Bernstein,2020 This book a free standing companion to Bernstein s 2003 biography Thomas Jefferson responds to the public curiosity about Adams his life and his work for those intrigued by popular culture portrayals of Adams in the Broadway musical 1776 and the HBO television miniseries John Adams As with Bernstein s other work e g The Founding Fathers A Very Short Introduction it is a clear scholarly concise well written and well researched account of Adams s life career and thought addressing anyone seeking to learn more about him [John Adams](#) David McCullough,2001 Profiles John Adams an influential patriot during the American Revolution who became the nation s first vice president and second president **John Adams** John Torrey Morse (Jr.),1884
