The Seventh Secret

Irvig Wallace (Ed.)

The Seventh Secret:

The Seventh Secret Irving Wallace, 2011-10-19 Emily Ashcroft and her father Sir Harrison Ashcroft have set out to write a definitive biography of Adolph Hitler. Before they can finalize their manuscript however a cryptic letter from a German dentist sends Sir Harrison off to attempt the excavation of the site of the Führerbunker where Hitler and his wife Eva Braun lived out the final weeks of their life before committing suicide and being cremated in a shallow pit. The thing is maybe they didn't. Unfortunately before the excavation can begin Ashcroft is run down in a hit and run that would seem accidental except the driver backed up and ran him over a second time. Armed only with the dentist's letter, her notes, and the determination to finish her father's book Emily Ashcroft makes her own journey to Berlin. She is joined by a Russian museum curator, an American architect writing a book on Nazi and Third Reich architecture, and a Mossad agent posing as a reporter. Together they uncover what may be the greatest hoax ever perpetrated: the faked death of the Father of the Third Reich and the plan to bring the Nazi party back to power. Through harrowing adventures, steamy romance, impersonators, SS guards, and survivors they piece together the missing puzzle pieces of what really happened so long ago. The only question is: are they up to the challenge, and as they begin to close in, can they survive it.

The Seventh Secret Michael Viner, 1986 [Seventh Secret 36](#), 1986-11-01 [The Art of Illumination](#) A.M. Hamilton, 2012-10-01 *The Art of Illumination* is a spellbinding book that transports one into a world of wonder, mystery, and divine empowerment. It weaves a tale of long-lost wisdom and sprinkles it at the feet of the reader like gorgeous pearls. I cannot recommend it highly enough. A fantastic read. Sonia Choquette, NYTimes best-selling author of *The Answer Is Simple*, *Love Yourself*, *Live Your Spirit*. *The Art of Illumination* is the stunning tale of one man's journey into the deepest realm of the soul. A compelling mystery propels this luminous exploration of the human experience of the divine. A wise and beautiful book, it grabbed my heart from the first chapter and never let go. It's a remarkable story written with startling vision and grace by a promising new author. It will leave you awed, moved, and hungering for more. Maureen Boyd Biro, author of *Walking With Maga* and *Voices of the Valley*. First Press. This book is amazing. I picked it up just to check a few lines and couldn't stop reading. I felt as though it was educating me, and I could imagine everything as if I was watching a movie. There wasn't one part of the book which did not make me want to quickly turn to another page. June Dally Watkins, *Education and Training Business Finishing College*. The year is 1097. Britain has been politically unstable for an age, and it doesn't seem as though things will be settling down any time soon. It isn't just political issues that threaten the population; however, without an understanding of the nature of pestilence or the knowledge of how to treat it, disease runs rampant through the population, affecting everyone in its path. While tragedy rages unchallenged, one place stands apart from the events afflicting the world at large. Hidden away in a corner of the land stands the large stone monastery that serves as a shelter from the terrifying world. It is here that one man finds himself on a journey he never expected he would take. He discovers the art of illumination, not only in the creation of beautiful manuscripts but in

illumination of the soul In the process he also uncovers a secret that will propel him into a world he never expected to find

Medjugorje and the Supernatural Daniel Maria Klimek,2018-03-01 In 1981 six young people in the village of Medjugorje in what was then Yugoslavia now Bosnia Herzegovina reported that the Virgin Mary had appeared to them The Medjugorje visionaries say that Mary has returned every day since then bringing them important messages from heaven to convey to the world Over the past three decades the Medjugorje visionaries have been subjected to extensive medical psychological and scientific examination even while undergoing their visionary experiences Daniel Klimek analyzes the scientific studies on the visionaries in juxtaposition with the major scholars and debates surrounding religious experience and concludes that a multidisciplinary approach grants a more holistic and deeper understanding of such extraordinary religious experiences
