The Seventh Sinner:

Seventh Sinner Elizabeth Peters,2011-08-30 What lies beneath At first Jean Suttman thought she had died and gone to heaven when she was granted the opportunity to study in Rome But the body that s lying in the ancient subterranean Temple of Mithra the murdered corpse of a repulsive and disliked fellow student is far from her idea of heavenly Now she s truly frightened and not just because small accidents seem to be occurring around her with disturbing regularity It s the ever increasing certainty that someone for some unknown reason is ruthlessly determined to do her harm Jean s innocent underground excursion into a sacred pagan place has trapped her in something dark and terrifying and even the knowledge that practical perceptive fellow American Jacqueline Kirby is on the case won t ease her fears Because there s only so far Jean Suttman can run and no escape for her except death

The Seventh Sinner Elizabeth Peters,1986 Jean Suttman a lovely young American student becomes enmeshed in a nightmarish web of terror and murder after she stumbles upon a body in a subterranean Roman temple

The Seventh-Day Sabbath and the Christian Doctrine of Redemption A. M. Simataa,2015-06-30 The Seventh Day Sabbath and the Christian Doctrine of Redemption is a book every Christian must have in their home library The author tackles the biblical doctrine of redemption in a convincing manner and drives home the centrality of the Sabbath in redemption Over the past hundred years the witness of the sciences such as physics and biochemistry including mathematics as well as the testimony of archaeology and history has put the skeptics of the Bible on the defensive To this overwhelming testimony the author adds the witness of recent fulfilled Bible prophecy The author proceeds to show persuasively how recent fulfilled prophecies have proved once again that the Bible is truly the Word of God In the book the closing work of the gospel on the planet is shown to have a prophetic edge that no one person on the globe can afford to ignore

Sherlock Holmes and the Seven Deadly Sins Murders Barry Day,2015-07-28 The members of an old Oxford club are targeted and Mycroft Holmes may be the next victim Day always captures the flavor of Conan Doyle The Sherlockian Times Six months after the bloody return of Jack the Ripper Sherlock Holmes is starved for entertainment When a friend of Dr Watson s suggests a shooting trip in Scotland Holmes leaps at the invitation But after nearly a week of dreary Scottish weather and hardly any shooting at all Holmes is worse off than before Watson fears the holiday has been an utter bust until they are confronted with a murder baffling enough to be worthy of the great detective One of the local gentry has been found dead in his library suffocated in the safe where he kept his most valuable documents Holmes recognizes the dead man as a member of the same secret society as his brother Mycroft the Oxford group known as the Seven Sinners One sinner down six to go but if Mycroft falls so does England and Holmes must be quick in order to save
