The Silent Years Lance Lambert, 2016-10-03 Have you ever thought of what happened in the four hundred years between Malachi in the Old Testament and Matthew in the New Testament It seems as if God was silent during those years until John the Baptist was raised up announcing the arrival of the Messiah's first coming But even though God did not speak with Scriptures during those years there He was working and preparing the way for the arrival of Immanuel In this volume Lance Lambert seeks to show what God was doing behind the scenes during this silent period between the two testaments of Scripture May the Lord use this account of the silent years to encourage His people in this current time of preparation for His soon coming

400 Years of Silence Rick Hertless, 2016-01-29 The Bible is silent for 400 years but it was far from uneventful The events surrounding the birth of Jesus were set up during this vital time in earth's history God ordains everything that happens in his universe God does not operate in a vacuum and this exciting period of history is proof of that fact Even though the Bible is not specific as to the events of the silent years God is not confined to any specific medium of communication God uses his creation as proof of his sovereignty and it is possible that is why the silent years occur God never leaves his people to fend for themselves he is always a part of his children's life This exciting time tells the story of how the providence of God is paramount even when most think he is silent

The First 10,000 Days - the Silent Years of Jesus Christopher Halls,2005-10-11 The First 10000 days is a biblical and historical investigation into the hidden years of Jesus life the 30 years before he began his ministry Drawing extensively upon the Old Testament the scriptures Jesus knew and loved our knowledge of first century Judaism and life in Israel at the time we can begin to put together the pieces of the puzzle what might life for Jesus have been like This background material is woven together with New Testament insights about his early life and the first believers experiences of the power of the Holy Spirit Since the time of the early church people have been naturally curious about the person of Jesus his feelings and thoughts as he grew up The The First 10000 days speaks to that longing and also takes care to caution us about what can and cannot be known Through the incarnation Jesus was made like us he knows what it is like to confront difficulties and situations similar to those we face As Christians we must guard against the error of docetism the view that Christ only appeared to be a human being In the same way that he became aware of his own unique identity message and mission so too can those of us in Christ discover our call and purpose in life The First 10000 days is written as a 30 day devotional guide suitable for both individual and group study Each day concludes with questions for discussion and reflection
