

TEAL SWAN

“ Many of us only see the truth when the pain or consequences of *not* seeing the truth is higher than the pain and consequences of seeing it. We need to question if feeling good, even if it means being out of reality and living in illusion, matters more than being conscious of the truth and being in reality. ”

The Truth Is:

The Truth Is What You Believe Warren Brewin,2018-09-30 In 550 BC or thereabouts Buddha stated I am the sum total of everything I thought This was divine wisdom that is inspiration for the book s title The Truth is what YOU Believe Everything you think is based on a process of thought reaching a conclusion that becomes exactly what you are as you traverse the complexities and opportunities of your life The Truth of Religion reviews the position of the major Religions and influences they have in societies globally today and how technological social giants like Google Facebook and YouTube threaten the loyalty to religion and the values that came with those belief systems The Truth of Sport examines whether money and greed have overtaken human integrity Does the end justify the means today The original endeavour of competitive sport started with the purest of ideologies in the Olympics rebirth in Greece in 1896 and is in stark contrast to the drug ridden corrupt fiasco that is prevalent in many professional sports today Discover what makes top athletes really tick If there are no rules there is no discernible truth The section on the Truth of Business looks at how creating credibility in every moment of a company s existence is the key ingredient to success and importantly how the leader and structure play a part Commitment to strong ideals is paramount Weak people tend to accept and are happy to exist in a world of lies as it is often easier and cheaper to delude yourself than confront reality head on How people from all walks of life deal with the adversity of relationship failure and how absolutely critical the truth is in all your relationships is uncovered in its barest form in the Truth of Relationships After the first betrayal you have nothing Living a true life means you will always have your integrity a value beyond compare

Preaching and Sermon Construction Paul Bertie Bull,1922 *The Day Is Now Far Spent* Robert Sarah,Nicolas Diat,2019-09-01 Robert Cardinal Sarah calls *The Day Is Now Far Spent* his most important book He analyzes the spiritual moral and political collapse of the Western world and concludes that the decadence of our time has all the faces of mortal peril A cultural identity crisis he writes is at the root of the problems facing Western societies The West no longer knows who it is because it no longer knows and does not want to know who made it who established it as it was and as it is Many countries today ignore their own history This self suffocation naturally leads to a decadence that opens the path to new barbaric civilizations While making clear the gravity of the present situation the cardinal demonstrates that it is possible to avoid the hell of a world without God a world without hope He calls for a renewal of devotion to Christ through prayer and the practice of virtue **The newspaper dictionary of classical and foreign quotations, proverbs, words,**
