The Truth Squad:

First Priority Kelsey Gjesdal,2023-02-24 Luke Mason has been working undercover with Truth Squad to foil MAX operations as they continue to takeover powerplants Luke s girlfriend Rebecca Sanders is released from parole and made an official Truth Squad member only to suddenly resign and disappear Luke Sarah and Daniel track her down to the MAX headquarters As the team learns more about MAX s plans to takeover the government Luke begins to find this mission harder than any he s ever faced His girlfriend is in danger but so is his country Luke wants to do whatever it takes to rescue Rebecca from MAX but this desire begins to interfere with the mission Is fighting for what he knows is right worth keeping Rebecca in danger The stakes get higher when Luke is mistaken for one of MAX s top assassins and any wrong move uncovering his deception jeopardizes the mission As the team tries to balance their precarious position the questions get bigger should they keep fighting against MAX s tyranny even if they fail Should Luke keep standing for what he knows is right even if it costs him what is most precious to him

The Lies of Sarah Palin Geoffrey Dunn,2011-05-10 In The Lies of Sarah Palin Geoffrey Dunn provides the first full scale and in depth political biography of the controversial Republican vice presidential candidate and former governor of Alaska Based on more than two hundred interviews many of them with Republican colleagues and one time political allies of Palin s and more than forty thousand pages of uncovered documents Dunn chronicles Palin s troubling penchant for duplicity in grim detail from her dysfunctional childhood in Wasilla through her contentious run for mayor and her failed governorship of Alaska He also provides the shocking inside story of her betrayal of running mate John McCain during the 2008 presidential campaign and her self serving resignation as governor in July of the following year Dunn deftly places Palin in the American tradition of right wing demagogues from Huey Long to Joe McCarthy and details her troubling obsession with Barack Obama as it fuels her own political ambitions and a potential run for the presidency in 2012 The Lies of Sarah Palin is a journalistic tour de force that vividly reveals the Queen of the Tea Party movement as a vengeful and manipulative empress without clothes This is the definitive book on Sarah Palin
