## **The Twenties:**

**The Twenties** Groupe de recherche et d'études nord-américaines (France),1982 [America in the Twenties](#) Geoffrey Perret,1982 A detailed revisionist chronicle of key events developments in the USA during the 1920s the 30s focuses on the crosscurrents of change innovation that transformed the nation [The Twenties in America](#) Paul Allen Carter,1967

[America in the Twenties](#) Ronald Allen Goldberg,2003-10-01 This is the first book to offer a comprehensive look at American life in the 1920s as framed by the aspirations scandals and attitudes of the Wilson Harding Coolidge and Hoover presidencies In fascinating detail Goldberg examines how Victorian values were transformed into the freewheeling lifestyle of the Jazz Age and explores the effects of such far reaching issues as isolationism vs internationalism massive immigration labor management relations and the prevalence of big business Even as he pierces the era s claim to being a time of wonderful nonsense Goldberg balances its giddy fads and foibles with a stinging critique of darker and or significant social issues From the rise of the Ku Klux Klan to black protests to the Scopes Monkey Trial from bootlegging and Prohibition to the Red Scare Goldberg shows how the temper of the 1920s shaped the nation s future Finally he poses provocative questions about how mistakes might have been avoided and what consequences ensued [The Twenties in America](#) Paul A.

Carter,1975-01-15 A history of America during the 1920 s **The Twenties in America** Carl Edmund Rollyson,2012 A three volume survey of significant people and events of the United States during the 1920s [The Twenties in America](#) Rollyson, Carl Edmund Rollyson,2012 Flappers prohibition jazz and the Lost Generation The Twenties in America examines the iconic personalities and moments of this uproarious decade The encyclopedia serves as a valuable source of reliable information and keen insights for today s students *The Twenties in America* Niall A. Palmer,2006 The first full balanced

account of the politics and history of the 1920s in America *Twenties in America* Niall Palmer,2006-04-24 This new revisionist approach to the Twenties in America offers the first balanced account of the history and politics of this much maligned decade Focusing on the two Presidents of the 1920s the book points out key distinctions between the governing styles and political philosophies of Warren Harding and Calvin Coolidge It suggests Harding s executive style and achievements were not as poor as traditional portraits have claimed Coolidge is presented in terms of his largely successful efforts to distance himself from the financial scandals associated with his predecessor and his encouragement of the major revival of much of the US economy The author argues that the pace of social and technological change resulted in lines of conflict over poverty race religion and employment rights being redrawn as living standards rose home and working conditions changed and old prejudices were challenged Consequently politicians found that old solutions became increasingly irrelevant to new realities The narrative is placed in the familiar context of the Twenties the motor car jazz F Scott Fitzgerald Hollywood mass consumerism and the flapper *The Culture of the Twenties* Loren Baritz,1970 The boisterous period in American history that produced the Charleston and Charles Lindbergh surrealist art and gangland

style murder was a period of upheaval of fundamental change in American life in politics business religion the arts and in living In this anthology the authors politicians preachers and eccentrics speak for themselves from Walter Lippmann to Anita Loos from Bartolomeo Vanzetti to Joseph Wood Krutch from Herbert Hoover to F Scott Fitzgerald here are the voices of the fools and the heroes of a wanton but innocent era This collection reveals the roots of many of today s most hotly debated issues for the twenties did not settle problems and disagreements concerning the human spirit versus technology flag waving patriotism versus international responsibility puritanical inhibition versus flapper freedom and many other conflicts of the spirit and mind Rather the people of the twenties first squarely faced such questions and in doing so staggered into modernity Publisher description [Agricultural Depression in the 1920's](#) Thomas H. Johnson,2019-08-06 First published in 1985 This study explores the agricultural depression in the United States of America in the 1920 s The author examines overproduction wartime optimism and the farm crisis and continuity and change in agriculture during this period This title will be of great interest to students of history agriculture and economics **Searching for the Spirit of the West** Luigi Morelli,2023-05-29 How can the West rediscover its authentic spirit Exploring the period from 1899 to 1945 from the end of the US frontier and the writing of The Wonderful Wizard of Oz to the conclusion of World War II and the dropping of the atom bomb Luigi Morelli traces the events that led the United States to become the world s dominating imperial force America he demonstrates is deeply connected to Britain Germany and Eastern Europe particularly Russia Yet despite their tragic collective histories there is hope for the future if only America can claim its true task Searching for the Spirit of the West challenges many of the falsehoods that pass for mainstream history Utilizing a wealth of documented evidence from the research of overlooked historians economists social and spiritual thinkers the author takes a symptomatic view of the past revealing hidden longer term trends This approach offers a new understanding of events such as the rise of Nazism the Great Depression the new Deal and even the roles of banking and clandestine brotherhoods in world history Morelli also appraises The Wonderful Wizard of Oz in parallel with America s cultural achievements Through imagination L Frank Baum s contemporary fairy tale enables us to intuit the true mission of the West and its potential contribution to world culture now and in the future [The Twenties](#) George Edwin Mowry,2012-04-01 Contributing Authors Include Edward Earl Purinton Arlington Stone Stuart Chase And Many Others **The Twenties** R. J. Unstead,1973 A history of the post war decade characterized by jazz the Charleston hectic living strikes and riots the collapse of the stock market and the beginning of the Depression **The Twenties** John Montgomery,1957 [The Twenties](#) George E. Mowry,2020-05-08 From the colorful battles of Prohibition to Lindbergh s epic transatlantic flight from the race riots in Chicago to the speculative frenzy of the Florida land boom THE TWENTIES recounts the vigorous carefree intolerant temper of our nation in the era of the New Economic Prosperity This panorama of contemporary magazine articles newspaper stories and personal accounts contradicts the charge of political historians and critics that the Twenties was a decade of sterility Juxtaposing gaiety and incontinence

with the bitter struggle between the old and the new social elements THE TWENTIES is a testament to the amazing vitality of social invention and change which characterized the formative years of modern American society     The Bookman ,1930
