The Sufi Message of Hazrat Inayat Khan: The Unity of Religious Ideals Hazrat Inayat Khan,2020-09-28 We often confuse unity with uniformity In reality it is the spirit of unity which creates uniformity for the sake of its beauty and protection it gives Throughout all ages both have existed unity as the inner nature of every soul and the only purpose of life and uniformity to help to fulfill that purpose Unity is the goal and uniformity the means to reach that goal but often the means has obscured the purpose All through the ages the different religions which have been given to man for his spiritual development with the sole idea of unity have gradually become a kind of community or nationality Many people who belong to a Church accept its dogmas claim a certain name for their religion and consider all other children of God as separate by doing so they lose the very seed of wisdom for whose development that religion was given This error has existed from the beginning so that instead of touching the true spirit people have lost reality by seeking a false objective Religious differences have caused endless wars and disasters for the human race The reason of this is that the spirit of unity has not been recognized while undue regard has been paid to uniformity In the present age when the spirit of religion is at its lowest ebb and only the uniformity remains divisions of classes and discords of all kinds spring up one party one class against another the spirit of rivalry jealousy and destruction everywhere The effect of this has been to keep man away from the consciousness of God Very few indeed recognize Him all humanity is laboring under a great unrest and yet man thinks he is progressing while all the time he only progresses towards still greater unrest There can never be true progress when nations and kingdoms and peoples are divided for when the races are divided then subdivisions come and classes and parties also become divided The same spirit of destruction is at work all the time and even families become separated Unity seems to be rooted out from the hearts of men *The unity of religious ideals, by Inayat Khan* Inayat Khan,1926 **The Sufi Message** Inayat Khan (Hazrat.),1990 **The Sufi Message** Inayat Khan,2002 Religious Ideals and Religious Unity John White Chadwick,1899 **The Sufi Message** Inayat Khan (Hazrat.),1990 Spiritual Liberty Hidayat Inayat Khan,2012 *The Sufi Message of Hazrat 'Ināyat Khān* ,1963 **The Sufi Message of Hazrat Inayat Khan: The unity of religious ideals** Inayat Khan,1963 The Coltrane Church Nicholas Louis Baham III,2015-08-11 The John Coltrane Church began in 1965 when Franco and Marina King attended a performance of the John Coltrane Quartet at San Francisco s Jazz Workshop and saw a vision of the Holy Ghost as Coltrane took the bandstand Celebrating the spirituality of the late jazz innovator and his music the storefront church emerged during the demise of black owned jazz clubs in San Francisco and at a time of growing disillusionment with counter culture spirituality following the 1978 Jonestown tragedy For 50 years the church has effectively

fought redevelopment environmental racism police brutality mortgage foreclosures religious intolerance gender disparity and the corporatization of jazz This critical history is the first book length treatment of an extraordinary African American church and community institution The Harvard Theological Review ,1909 The Religious Critic in American Culture William Dean,1994-08-16 This book provides a new rationale for religious criticism in American society First Dean shows why today s academic intellectuals are relatively indifferent to questions of meaning in America pointing to the loss of American exceptionalism the professionalization of the academy and the rise of post structural criticism He then shows how intellectuals may reclaim a prophetic role by offering a new theory of the nature of religious thought Tracing this theory to a twentieth century emphasis on conventions Dean provides a way to understand how imaginative social constructions can become active historical conventions with real historical force He suggests that the sacred itself begins as an imaginative construct and becomes a convention thus working as an active living force in history Finally Dean argues that religious critics must now reclaim a responsibility for shaping their society s sacred conventions *The Religious Ideas of the Old Testament* Henry Wheeler Robinson,1921 The Comparative Study of Religions Alban Gregory Widgery,1923 **Mind and Health, with an Examination of Some Systems of Divine Healing** Edward Ebenezer Weaver,1913
