

Tyler A Real Hero

Thomas Wentworth Higginson

Tyler A Real Hero:

Margaret Tyler, 'Mirror of Princely Deeds and Knighthood' Joyce Boro,2014-07-01 Margaret Tyler's *Mirror of Princely Deeds and Knighthood* is a groundbreaking work being the first English romance penned by a woman and the first English romance to be translated directly from Spanish. As such, it is not only a landmark in the history of Anglo-Spanish literary relations but it is also a milestone in the evolution of the romance genre and in the development of women's writing in England. Yet notwithstanding its seminal status, this is the only critical edition of Tyler's romance. This modernized edition is preceded by an introduction which meticulously investigates Tyler's translation methodology, her biography, her proto-feminism, and her religious affiliations. In addition, it situates *Mirror* within the context of English romance production and reading, female authorship, and the Elizabethan and Jacobean translation of Spanish romance. This edition will be of interest to scholars of gender studies and of English and Spanish Renaissance literature. [The 3 Gaps](#) Hyrum W. Smith,2016-01-11

For a Better Life Close the Gaps We all want to make a difference. But just as you need to put on your own oxygen mask before helping other passengers on an airplane, getting your own life together is the first step to making a positive impact in the world. Franklin Covey cofounder Hyrum Smith shows that what stops us are gaps between where we are and where we want to be. The first is the Beliefs Gap between what we believe to be true and what is actually true. The second is the Values Gap between what we value most in life and what we actually spend our life doing. The third is the Time Gap between what we plan to do each day and what we actually get done. Smith offers a practical blueprint that we all can use to recognize and close each of these three gaps and illustrates how it can be done through inspiring true stories. *The 3 Gaps* provides the concepts and the tools needed to establish a solid foundation from which you can help make the world a better place.
