The Ufa Story Klaus Kreimeier, 1999-01-01 On the Ufa the German movie Company **The Film Studio** Ben Goldsmith, Tom O'Regan, 2005-05-05 The Film Studio sheds new light on the evolution of global film production highlighting the role of film studios worldwide The authors explore the contemporary international production environment alleging that global competition is best understood as an unequal and unstable partnership between the design interest of footloose producers and the location interest of local actors Ben Goldsmith and Tom O'Regan identify various types of film studios and investigate the consequences for Hollywood international film production and the studio locations Continuity and Crisis in German Cinema, 1928-1936 Barbara Hales, Mihaela Petrescu, Valerie Weinstein, 2016 New essays examining the differences and commonalities between late Weimar era and early Nazi era German cinema against a backdrop of the crises of that time **Antisemitism in Film Comedy in Nazi Germany** Valerie Weinstein, 2019-03-05 How party propagandists worked behind the scenes to create unspoken racist messages in the German culture even in the most lighthearted of movies Today many Germans look back fondly on 1930s film comedies viewing them as a part of the Nazi era that was not tainted with antisemitism Here Valerie Weinstein scrutinizes these comic productions and demonstrates that film comedy despite its innocent appearance was a critical component in the effort to separate Jews from Germans physically economically and artistically Weinstein highlights how the German propaganda ministry used directives pre and post production censorship financial incentives and influence over film critics and their judgments to replace Jewish wit with a slower simpler and more direct German humor that affirmed values that the Nazis associated with the Aryan race Through contextualized analyses of historical documents and individual films Weinstein reveals how humor coded hints and traces absences and substitutes in Third Reich film comedy helped spectators imagine an abstract Jewishness and a German identity and community free from the former As resurgent populist nationalism and overt racism continue to grow around the world today Weinstein's study helps us rethink racism and prejudice in popular culture and reconceptualize the relationships between film humor national identity and race A History of India's North-East Cinema Parthajit Baruah, 2024-12-12 A History of India's North East Cinema Deconstructing the Stereotypes the first book on the history of cinema in this region depicts the journey from the first Assamese film Joymoti 1935 to the present time This book addresses the peripheral status and identity crisis of North Eastern people in mainland India a region that comprises eight states and examines the role of Bollywood in the construction and misrepresentation of this region in popular Hindi cinema The book is divided into three parts Part I looks at how the people of the North East are constructed as foreigners or outsiders by mainland Indians due to their physical facial features Part II discusses the socio political and cultural shifts in the region of Assam the issue of Assamese identity which led to the Assam Movement and the upsurge of the insurgent group United Liberation Front of Assam ULFA It provides a nuanced discussion on the background and foreground of the first and second Assamese films Joymoti 1935 and Indramalati 1939 Part
