The Ultimate Guide of St. Maarten The St. Maarten Island Guide Team, **Judas Iscariot** Richard Harvey,2018-07-23 The name Judas Iscariot usually provokes a negative response as the disciple who betrayed his Lord to death It is difficult to think of another person dead for so long who is so closely associated with betrayal In recent times some commentators have urged a rethink on Judas arguing that he has been unfairly treated This book will show that the traditional picture of Judas as a traitor best fits the biblical evidence It also establishes two other points Firstly although Judas was a human being he had the literary features of an idol Secondly the earliest gospel Mark clearly establishes his guilt and Matthew and Luke show how uniquely guilty Judas was Uncertain Guardians Bartholomew H. Sparrow,1999-05-04 The news media are often seen as a fourth branch of government serving as a check on the other three This text argues that this is a mistaken notion the media s decisions affect the government s policy making as well as the processes and outcomes of the political system
