**Poetry for God's Glory** Bernadette N. Fordyce, 2019-03-09 In the world today some believe in evolution This has given cause for a lot of confusion The Big Bang theory is just man's opinion the Bible In Genesis gives an authentic account of creation This inspired book chronicles how all things began And still exists in the air in the seas and on land All came into being by the word of God's command Only man the crowning act of creation was made by his hand From the dust of the earth with his breath he gave man life Put Adam to sleep took a rib And fashioned for him a wife God created man in his own image and likeness specifically As in his word it is described fearfully and wonderfully The only creatures he gave wisdom dominion and authority Endowed with knowledge to think and speak intelligently Yet many are still saying man is a descendant of monkey Perverting God's gift to promote evolution's false theory His word informs man God created in the beginning All doubts and disbelief came about as a result of sin There is enough evidence in creation to put our trust in Not one of God's children should question their origin
